

Police Department

June 13, 2022

To Russell Roe, Associate Planner

From Jennifer Louis, Interim Chief of Police  
Assigned to and completed by:  
Officer Brian Hartley, Area Coordinator

Subject **Italy on Gilman, 925 University Ave, Berkeley, CA**

This memo is in response to a request to change a location of Type 47 ABC License (#630287) from 1300 10<sup>th</sup> St, Berkeley, CA to a new location of **925 University Ave, Berkeley, CA**. The new location of **925 University Ave** is situated in west Berkeley and has been vacant for several years.

There have been no calls for services in the past 3 years at either **925 University Ave** or their current business address of **1300 10<sup>th</sup> St** for any disturbances, noise complaints, criminal complaints or any complaints directly related to alcohol or alcohol consumption. The business appears to reflect a positive vision, which is already thriving near the Gilman District in Berkeley and by moving that restaurant to University Ave I believe it will reflect the same positive vision and help the overall community along University Ave corridor.

The Berkeley Police Department does not have any significant concerns with this change. BPD does recommend the ownership and staff of **Italy on Gilman** to develop a relationship with the Berkeley Police Department Community Services Bureau, Area 4 Coordinator, and the current beat officer(s) to address any issues or concerns with this new proposal.

The Berkeley Police Department also encourages ownership and staff of **Italy on Gilman** to participate in the local Business/Merchant Association, as it will contribute towards the success of their business in the City of Berkeley.

Sincerely,

  
Jennifer Louis  
Interim Chief of Police
