TO: Honorable Members, Zoning Adjustments Board, City of Berkeley

FROM:  Richard B. Spohn, Appellant, AUP # ZP2023-0081

RE: Supplemental Document to Appellant's Filing of August 9, 2023, Appealing Approval of Referenced Administrative Use Permit; ZAB Hearing October 12, 2023

Attached please find a "blow-up" of Proponent's architectural firm's "Drawing No. L2.0," as included in the Zoning Officer's Approval Notice of AUP # ZP2023-0081, Dated July 20, 2023. It includes markings placed on it to illustrate certain core points which Appellant intends to make at your hearing this Thursday, October 12, 2023.

At Thursday's meeting Appellant will attempt to deploy his computer to project the attached image onto the provided screen. He is not especially computer-proficient, so if that attempt fails you will have this hard copy to follow his narration.

Appellant was informed by your staff that a copy of his August 9<sup>th</sup> Appeal will be included in your packet of materials for the meeting. Appellant would respectfully request that you carefully read the Appeal and its three attachments, being copies of communications from Appellant to Proponent and to staff of his architectural firm wherein Appellant informed them of essential data and impacts. The Cover Letter to the Appeal mentions some key points of the Appeal, with a chunkier Summary presented at page 1, and a detailed summary of the Appeal and the substantive points developed therein may be found at page 8.

Thank you for your consideration and your patience. Appellant is a novice at this procedure and subject matter, so greatly appreciates your forbearance.
