Subject: proposed deposition schedule

Hi Farimah and Zach,

We hope Mr. Moore is doing alright. We will email separately regarding proposed 30(b)(6) dates, but wanted to follow up regarding rescheduling the deposition of Mr. Runde, and to discuss the dates of depositions for City Councilmembers and members of the Planning Commission.

For Mr. Runde's deposition, he indicated that August 1 would work for him. Would that date work for your team?

Additionally, below, we've proposed specific dates for individual depositions that we only discussed generally on the phone. (Zach, I know you were considering whether you will agree to make planning commission members available. Please let us know if we should discuss further.) Please let us know if these dates would work:
