3. Please identify the person who is responsible for the violation. If the violation is by a renter (“tenant”) or owner-occupant in your building, list the tenant or owner-occupant by name and address, including unit number. If the violation is by a visitor/guest of a tenant or owner-occupant, list the tenant or owner-occupant. To file a complaint, you must live in the same building as the responsible person. See Berkeley Municipal Code Section 12.70.035 (C): The tenant(s) of a unit, or owner-occupant(s) of an owner-occupied unit, shall be deemed the person(s) responsible for the violation where the violation was caused by the tenant(s) or owner-occupant(s) of the unit, or one or more persons subject to the control of, or present by invitation or permission of, the tenant(s) or owner-occupant(s).
4. If it is the first complaint, or the last complaint was more than six months ago, a notice will be sent to the person(s) responsible with a summary of the ordinance and information about the health effects of second hand smoke.
5. If it is the second complaint within a six month period, a note is made and no additional notice will be sent to the person(s) responsible. The second complaint can be made by the same resident as the first complaint or by a resident in another unit in the same building. ***The second complaint must be dated at least 10 days after the date on the notice sent by City of Berkeley to the person(s) responsible.*** You may call the Tobacco Prevention Program (see #10) for this information.
6. If it is the third complaint, information about the person(s) responsible is sent to the City Enforcement team and a citation may be issued. ***Please note the issuance of a citation is an absolutely discretionary process based on the City’s resources, competing time constraints, and whether it is clear that the complaints are being filed in good faith.*** Only two complaints may be made by tenants in the same unit. All three complaints may not be made by tenants in the same unit.
7. If you live in a two-unit building, a citation may be issued based only on complaints lodged by you or other tenants in your unit against the responsible person.
8. Appeal process: If an administrative citation is issued, and the recipient(s) appeals, you will be called to testify at an administrative appeal hearing. If you fail to testify, the citation may be dismissed.
9. The City encourages complainants to address the issue with their landlord first, if possible. Please understand that alternative options for enforcement exist – such as small claims court.
