Re: Your complaint against Executive Director Ingram

Dear Ms. Green:

This letter is written in response to your complaint against the Authority's Executive Director, Tia Ingram, which you expressed during the public comment period at the Board of Commissioners' October 11, 2012 meeting. I regret that your experience with the Authority has been unsatisfactory.

Please be advised that the Board of Commissioners does not hold hearings on the Executive Director's job performance. However, I want to assure that your complaint was heard and will be taken seriously. If you wish to provide supplemental written material, please feel free to do so. Anything additional you wish to submit should be addressed to the Board of Commissioners at the above address and will be forwarded to each individual Commissioner.

Very truly yours,

Carole Norris, Chair
