

# THE 60/6/60 PLAN

## Berkeley Animal Care Services Special Program for Seniors!

A squirming young pup may be fun to watch, but can be hard to manage. If your puppy years are behind you too, you may find that an older animal is ready to be a great companion.

We want to make it easy for you. If you're **sixty** or over, and you **adopt a dog or cat who is 6 or more years old**, you'll get a **60%** discount on the adoption fee.
