Dear Valued Customer,

PG&E will be temporarily interrupting your electric service in order to safely perform the following work in your area:

Install New Underground Equipment

The planned electric service interruption affects the following vicinity or property address:

**2nd Street, 3rd Street, 4th Street, Essex Way, Addison Street, Bolivar Drive and
University Avenue - City of Berkeley**

Although we will do our best to minimize the length of the service interruption, please be prepared to be without electric service on the following date(s) and **estimated timeframe(s)**:

**Thursday, January 31, 2013 from 9:00 PM continuing through
Friday, February 1, 2013 until 5:00 AM**

We will make every effort to complete the work as scheduled, however, unsafe weather conditions or an unforeseen emergency may force us to cancel the work on the scheduled day. In such a case, we may be unable to notify you in advance of the cancellation.

We greatly appreciate your cooperation and thank you for your patience. If you have any questions or concerns, please contact me at the number below. For general questions about your PG&E service, call our 24-hour customer service center at **1-800-743-5000**.
