

Candidate for MEMBER, CITY COUNCIL, DISTRICT 2

I, **CHERYL DAVILA**, hereby declare that I am a candidate for an elective office in the City of Berkeley, and make the following statement:

1. That my name is Cheryl K. Davila
2. The office for which I am a candidate is City Council District 2
3. That my residence is 1039 Allston Way, Berkeley, Ca 94710
4. The place of my birth is Albany, NY
5. My present occupation is Full Charge Bookkeeper (self employed)
6. I have held the following public offices: Commissioner, Human Welfare & Community Action Commission 2009-present
7. Record of community service: Commissioner on Berkeley's Human Welfare & Community Action Commission since 2009. PTA Treasurer throughout our children's years in Berkeley public schools. Active in various groups and organizations.
8. I am a taxpayer in the City of Berkeley.

9. Our community, like so many others, needs diverse, ethical folks with integrity and honesty to step up and become public servants. I have been active in District 2 for thirty-five years, first as a PTA treasurer while my children attended Berkeley public schools, then as a city commissioner and organizer. I have seen how dysfunction at City Hall has meant that the voices of my neighbors have been absent from city decision making. As your Councilwoman, I will hold neighborhood assemblies where we can strategize and problem-solve together. I have experience working within Berkeley's city government to make change, serving as commissioner on the Human Welfare and Community Action Commission since 2009. I'll work tirelessly for affordable and low income housing. I believe in neighborhood-friendly demilitarized policing, and I will work to fully fund the mobile mental health crisis team. I will require developers to work with neighbors to ensure that new construction provides benefit to the neighborhood and supports the larger vision of beautification without gentrification. Together, we will continue to find innovative ways to protect our environment. I will be responsive, accountable and principled. My door will always be open. Inspired by my neighbors in District 2, I bring with me three priorities: freedom from economic oppression, racial equity, and ethical, accountable corporate and government leadership. My immediate goals are: \$15 minimum wage by 2017, a moratorium on Rent Hike Evictions, protecting small and co-operative businesses, preserving Aquatic Park, renewing BSEP funding for Berkeley Schools, and removing Urban Shield from Berkeley Police. 9. It's been a privilege to serve you on the Berkeley City Council. Numerous community meetings throughout the District have shaped my priorities, I appreciate hearing from community members about the real issues facing our District and the City. I've helped to create policies requiring developers to contribute community benefits to improve affordable housing, social services, open space, transportation infrastructure, job training, and employment opportunities. Over the past 12 years, I've provided backpacks and school supplies to students at Rosa Parks Elementary. I secured \$2 million to rejuvenate San Pablo Park and hundreds of thousands to improve Strawberry Creek Park. Reducing crime has been one of my top priorities and I'm proud that violent crime is down significantly, but there is still work to be done to improve public safety. With your continued support, I'll push to increase the number of police officers that patrol our neighborhoods and parks. I will continue my work to build more affordable and workforce housing, rehabilitate our old infrastructure like our Parks, Recreation and Senior Centers, reopen the Berkeley Pier, and achieve a \$15 dollar minimum wage. Please join Bishop Kelly Woods, Senator Loni Hancock, Former Assemblymember Nancy Skinner, Supervisor Keith Carson, Mayor Tom Bates, and Councilmembers Linda Maio, Laurie Capitelli, Susan Wengraf, and Lori Droste in supporting my re-election. www.MooreForDistrict2.com
