

## INTRODUCTION

Under the Berkeley Election Reform Act, all candidates running for local office, ballot measure committees and general purpose committees supporting or opposing candidates and/or measures in the March 7, 2017 Special Municipal Election are required to disclose information regarding individual contributors who give \$50 or more. The Berkeley Election Reform Act requires that the City publish a list of all persons contributing \$50 or more to any candidate or committee in that election and the amounts of the contributions reported through the filing deadline for the second pre-election statements (February 18, 2017).

The list includes contributions which were disclosed on campaign statements received by the City Clerk Department through February 18th. Copies of complete campaign statements including all contributions and expenditures are posted on the City of Berkeley's website at [www.cityofberkeley.info/clerk](http://www.cityofberkeley.info/clerk) and may be viewed at the City Clerk Department, 2180 Milvia Street, Berkeley.

The list of contributions is available for review in hard copy at the locations listed below or online at [www.cityofberkeley.info/elections/](http://www.cityofberkeley.info/elections/).
