CITY OFFICES TO BE ELECTED AT THE MARCH 7, 2017 SPECIAL ELECTION

OFFICE
Council

SEATS AVAILABLE
District 4

The March 7, 2017 Special Election will be conducted entirely by Vote-by-Mail.

All registered voters in District 4 will receive a ballot in the mail. The ballot will include a return envelope that is postage-paid; no additional postage will be needed to mail back a ballot. To be counted, ballots must be postmarked on or before Election Day. Ballots can be received by the Registrar of Voters up to three days after Election Day.

Voters may also return their ballot at the secure drop box in front of 2180 Milvia Street. The drop box accepts ballots 24 hours a day, seven days a week. In order to be counted, a ballot must be placed in the drop box no later than 8:00 p.m. on March 7, 2017.

It is very important that voters SIGN THE BACK OF THE ENVELOPE to ensure their ballot will be counted.

QUALIFICATIONS FOR OFFICE

Procedure for Holding Elections

Except as otherwise provided in the Charter, all elections shall be held in accordance with the provisions of the Elections Code of the State of California. (Charter § 5)

Eligibility of Mayor, Auditor, Councilmember, and School Director

“To be eligible for the office of Mayor, Auditor, Councilmember, or School Director, a person must, at the time of filing nomination papers for the office, be a citizen of the United States and a qualified elector of the State of California and of the City of Berkeley.” (Charter § 10)

“Each candidate for council must have resided in the District in which he or she is elected for a period of not less than thirty days immediately preceding the date he or she files a declaration of candidacy.” (Charter Article V. Sec. 9)

HOLDING TWO OFFICES – ALL OFFICES

Government Code Section 1099 prohibits the holding of incompatible, multiple offices.

1099. (a) A public officer, including, but not limited to, an appointed or elected member of a governmental board, commission, committee, or other body, shall not simultaneously hold two public offices that are incompatible. Offices are incompatible when any of the following circumstances are present, unless simultaneous holding of the particular offices is compelled or expressly authorized by law:

(1) Either of the offices may audit, overrule, remove members of, dismiss employees of, or exercise supervisory powers over the other office or body.

(2) Based on the powers and jurisdiction of the offices, there is a possibility of a significant clash of duties or loyalties between the offices.

(3) Public policy considerations make it improper for one person to hold both offices.

(a) When two public offices are incompatible, a public officer shall be deemed to have forfeited the first office upon acceding to the second. This provision is enforceable pursuant to Section 803 of the Code of Civil Procedure.

- (b) This section does not apply to a position of employment, including a civil service position.
- (c) This section shall not apply to a governmental body that has only advisory powers.
- (d) For purposes of paragraph (1) of subdivision (a), a member of a multimember body holds an office that may audit, overrule, remove members of, dismiss employees of, or exercise supervisory powers over another office when the body has any of these powers over the other office or over a multimember body that includes that other office.
- (e) This section codifies the common law rule prohibiting an individual from holding incompatible public offices.

Employment Restrictions for Elected Officials

Government Code 53227(a) prohibits an elected official from being an employee of the local agency they represent.

53227. (a) An employee of a local agency may not be sworn into office as an elected or appointed member of the legislative body of that local agency unless he or she resigns as an employee. If the employee does not resign, the employment shall automatically terminate upon his or her being sworn into office.

Section 35 of the Berkeley City Charter has additional restrictions as well.

Charter Section 35. Councilmembers to hold no other office.

No member of the Council shall hold any other position, office or employment, the compensation of which is paid by the City, except as otherwise provided in this Charter.

No member of the Council, during the term for which he or she has been elected or appointed, or within one year after the term's expiration, shall be appointed to the office of the City Manager or as a department head.

No member of the Council, during the term for which he or she has been elected or appointed, or within one year after the term's expiration, shall be appointed to any other position, office or employment the compensation of which is paid by the City, if such other position, office or employment was created or the compensation increased by the Council while he or she was a member.

This section shall not prevent the appointment of any member of the Council to any non-compensated position, office or employment or from being appointed to fill a vacancy in the office of Mayor.

RANKED-CHOICE VOTING

What is it?

Ranked-Choice Voting or "instant run-off voting," allows voters to rank up to three candidates, in order of preference, when marking their ballots. Ranked-Choice Voting (RCV) eliminates the need for run-off elections, and is currently approved for use in Berkeley, Oakland, San Leandro, and San Francisco.

Which Offices use RCV?

Berkeley voters use RCV to elect the Mayor, members of the City Council, and the City Auditor.

How it Works

With RCV, if a candidate receives a majority (50%+1) of the first-choice votes cast for that office, that candidate will be elected. However, if no candidate receives a majority of the first-choice votes cast, an elimination process begins. The candidate who received the fewest first-choice votes is eliminated. Next, voters who selected the eliminated candidate as their first choice will have their vote transferred to their next-ranked choice among the remaining candidates. This elimination process will continue until one candidate receives a majority and is deemed the winner.

The ranked-choice ballot card is designed in a side-by-side column format and lists the names of all of the candidates in three repeating columns. This format allows a voter to select a first-choice candidate in the first column, a second-choice candidate in the second column, and a third-choice candidate in the third column. Voters will connect the head and tail of the arrow next to the name of the candidate they choose.

Remember, a voter's second choice is only counted if their first choice candidate is eliminated, and their third choice is only counted if their first and second choices are eliminated.

Basic Questions

Must I rank three candidates for each office?

No. A voter may, but is not required to, rank three choices for each office. If there are fewer than three candidates for the same office, or if you wish to rank fewer than three candidates, you may leave any remaining columns blank.

If I really want my first-choice candidate to win, should I rank the candidate as my 1st, 2nd and 3^d choice?

No. Ranking a candidate more than once does not benefit the candidate. If a voter ranks one candidate as the voter's first, second and third choice, it is the same as if the voter leaves the second or third choice blank. In other words, if the candidate is eliminated that candidate is no longer eligible to receive second or third choice votes.

Can I give candidates the same ranking?

No. If a voter gives more than one candidate the same ranking, the vote cannot be counted. Only one candidate can represent the voter's first, second, or third choice.

Can I write a candidate's name on my ballot in any column?

Yes. Each column provides space for qualified Write-In candidates. Only qualified Write-In candidates can receive votes. After writing the name of the qualified candidate, be sure to connect the head and tail of the arrow next to the space.

The RCV Ballot

Berkeley voters will receive an extra ballot card in the Special Election. The extra ballot card will only contain contests using RCV. Review the graphic below for an example of how to mark the Ranked-Choice Voting Ballot. Be sure to follow the voting instructions carefully.

SIGNATURES IN LIEU OF FILING FEE (Monday, December 12, 2016 – Monday, December 19, 2016)

As required under the Berkeley Charter, Article III, § 6 1/2, each candidate for local office, including candidates for council district offices, and the offices of mayor, auditor, rent stabilization board commissioner and school board director, shall pay a filing fee of \$150 to the City Clerk.

In order to offset the fee, a candidate may submit to the City Clerk a petition containing signatures of Berkeley registered voters. The filing fee will be reduced \$1 for each verified signature of a Berkeley registered voter.

In lieu petition forms will be made available starting Monday, December 12, 2016.

Signature in lieu of filing fee petitions shall be filed by 5pm on Monday, December 19, 2016.

The submission of petitions in lieu of candidate filing fee is voluntary and is an option to reduce or eliminate the required \$150 candidate filing fee.

Berkeley Municipal Code Section 2.16.020 sets forth the procedure for obtaining, circulating, and filing signatures in lieu of filing fee petitions.

2.16.020 SIGNATURES IN LIEU OF FILING FEE.

A candidate for the office of Mayor, Councilmember, Auditor, Rent Stabilization Board Commissioner, or School Board Director may submit a petition containing signatures of registered voters in lieu of the filing fee as set forth in this section.

A. For all City offices the filing fee is one hundred fifty dollars (\$150.00). Each valid signature of a registered voter contained on a signatures in lieu of filing fee petition shall offset one dollar (\$1.00) of the filing fee.

B. Any such submission of signatures in lieu of filing fees shall be in addition to the signatures otherwise required by the State of California Election Code to nominate a candidate, but may be of voters registered anywhere in the City.

C. A voter may sign both a candidate's nomination papers and his or her in lieu of filing fee petition.

D. The City Clerk shall furnish to each candidate, upon request, and without charge, signatures in lieu of filing fee petition forms for securing signatures. The number of forms which the City Clerk shall furnish a candidate shall be a quantity that provides the candidate with spaces for enough signatures to allow the full offset of the filing fee, subject to subsection H of this section.

1. The City Clerk, rather than provide the candidate with the number of forms set forth in the preceding sentence, or upon the request of a candidate, may provide the candidate with a master form that may be duplicated by the candidate at the candidate's expense for the purpose of circulating additional petitions.

2. A candidate may authorize another person to obtain the signatures in lieu of filing fee petition on his or her behalf. Such authorization must be in writing, must name the designated person by name (first and last), and must be signed by the candidate with an original signature only; no electronic or copied signatures are permitted.

3. Each in lieu petition form shall include spaces for the voter's signature, printed name and residence address. The residence shall include street and number in the City of Berkeley, or other adequate designation of residence so that the location may be readily ascertained. Across the top of each printed page there shall be printed in at least twelve (12) point boldface type the following: "Petition in Lieu of Candidate Filing Fee." The City Clerk shall complete information on the petition form that identifies the candidate, the office sought, and the date of the election, prior to releasing the form to the candidate or his or her representative for signature gathering. Each petition section shall bear an affidavit signed by the circulator, in substantially the same form as set forth in the Elections Code. The City Clerk or designee shall sign and date the original petition form issued to the candidate.

E. All forms shall be made available commencing forty-five (45) days before the first day for circulating nomination papers.

1. In the event that the City Council orders a special election to be held to fill a vacancy or as the result of a successful recall petition, and the order is issued less than forty-five (45) days prior to start of the nomination period for said election, the signatures in lieu forms shall be made available within five working days after the date the City Council orders the election.

F. No other form except the form furnished by the City Clerk, bearing the signature and date imprinted by the Clerk, or forms duplicated from a master form issued by the City Clerk, shall be used to secure signatures.

G. The substitution of signatures for fees shall be subject to the following provisions:

1. If a voter signs more candidates' petitions than there are offices to be filled, the voter's signatures shall be valid only on those petitions which, taken in the order they were filed, do not exceed the number of offices to be filled.

2. In lieu filing fee petitions shall be filed at least fifteen (15) days prior to the close of the nomination period. All petition sections must be filed at one time. In lieu filing fee petitions shall not be accepted after the nomination papers for that candidate have been filed. Within ten (10) days after receipt of a petition, the elections official shall notify the candidate of any deficiency. The candidate shall then, prior to the close of the nomination period, either submit a supplemental petition, or pay a pro rata portion of the filing fee to cover the deficiency. Signatures on the supplemental petition may only be used to offset deficient signatures in the original petition and may not be used to further offset the filing fee. Only one supplemental petition shall be issued by the City Clerk. Any deficiency found in the supplemental petition must be paid by cash or check prior to the close of the nomination period.

**3. Circulators of in lieu filing fee petitions shall be residents of the City of Berkeley and be qualified to register to vote in the City of Berkeley.

H. Each candidate may submit as many signatures as he or she wishes to allow for subsequent losses due to invalidity of some signatures. The elections official shall not be required to determine the validity of a greater number of signatures than that required by this section.

I. All provisions of this section are applicable to write-in candidates for City elective offices. (Ord. 7112-NS § 1, 2009)

**BMC section 2.16.020 G 3 is superseded by State Law (EC 104) which stipulates that circulators only have to be eighteen years old or older.

- Non-Refundable Filing Fee Deposit
- Nomination Paper
- Statement of Economic Interest – Form 700
- Certificate of Residency for Council Candidates

The nomination period opens December 12, 2016. The nomination paper shall be taken out and filed with the City Clerk only during regular business hours during the nomination period. The City Clerk, or his designee, will affix his/her signature to the nomination paper at the time it is issued and will type the following information on the top of the nomination paper at the time: date issued; name and address of candidate; and office sought.

The nomination paper includes the nomination petition. All nomination signatures shall be appended on the same sheet of paper. Once a nomination paper is filed, the paper may not be returned to the candidate to obtain additional signatures. If the nomination paper is determined to be insufficient or the candidate fails to obtain enough valid signatures, the City Clerk will issue one supplemental nomination petition on which the candidate may collect additional signatures. The supplemental petition shall be filed no later than the last day for filing the nomination paper. (EC 10220, 10221 and 10227)

A person other than the candidate may obtain the nomination paper on behalf of the candidate. The person designated to obtain the nomination paper must be authorized in writing to obtain the forms. The authorization must name the designated person by name (first and last) and must be signed by the candidate – original signature only, no electronic or copied signatures are permitted. The person obtaining the nomination paper must receive and sign for the complete nomination packet and complete the full initial filing appointment (approximately one hour) in order to obtain the forms.

FORM 700 - STATEMENT OF ECONOMIC INTERESTS – REQUIRED

Candidates are required by state law to file a Form 700 Statement of Economic Interests disclosing their investments and their interest in real property. The form must be filed by the final date for filing nomination documents (December 23). The reporting period is one year back from the date the nomination papers are filed. This filing is in addition to any previous Form 700 that may have been filed by the candidate (e.g. annual statements in April). An interactive version of this form is available on the Fair Political Practices Commission website: www.fppc.ca.gov.

Special Notice to Potential Candidates Regarding Conflict of Interest
Resolution No. 53,989 – N.S.

“The purpose of this notice is to alert you to State and local conflict of interest provisions. These provisions may prohibit you, members of your family, or your employer, from having any financial relationship - - such as a contract or consultant position -- with the City, the Berkeley Housing Authority, and the Berkeley Redevelopment Agency, during the term of your office; for members of the City Council such prohibition can extend in certain instances for a one-year period following the conclusion of the term of office.

If a prohibited interest exists, the financial relationship may have to be terminated; for example, a contract may not be renewed or created, a consultant position may have to be withdrawn, your employer or a family member may be required to cease conducting business with the City.

Statements of Economic Interest are required to be filed by elected officials and appointed members of boards and commissions. The information disclosed in such statements provides the public with information concerning the financial interests of those serving in a public or official capacity, as well as assisting in the determination of whether certain of the interests disclosed require appropriate further action. The specific prohibitions applicable to potential conflicts of interest are not deemed “satisfied” or “cured” simply by filing the economic interest statements and disclosing the relevant financial interests; such a filing is a state-mandated requirement and is separate and distinct from any prohibitions that may be imposed as a result of an existing or future financial relationship with the City.

If you are uncertain as to whether existing or future financial interests you, your family, or your employer may have with the City constitute a potential conflict which would require termination or other remedial action upon your assuming elective office or upon your appointment to a City board or commission, you are encouraged to seek further information from the City Attorney’s Office by providing a written description of your financial interest or relationship with the City and the elective or appointive position which you are seeking. It is your obligation to seek such advice and to bring any such potential conflicts to the City’s attention. The City will not independently investigate the background or financial statements of candidates for elective or appointive office in order to detect potential conflicts of interest.”

CERTIFICATE OF RESIDENCY FOR COUNCIL CANDIDATES - REQUIRED

Candidates for council seats must submit a certified statement that the candidate has been a qualified elector and resided within the district for a period of thirty (30) days preceding the date the nomination papers are filed. (Charter Article V, § 9)

CODE OF FAIR CAMPAIGN PRACTICES – OPTIONAL

“The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions.” When candidates complete their nomination documents they may also complete the Code of Fair Campaign Practices. Completion of the form is optional; however, the form is a public document available for review by any member of the public. (Elections Code § 20400)

WEB POSTING AUTHORIZATION

NAME ON BALLOT – CANDIDATES FOR ALL OFFICES

The candidate's name will be printed on the ballot exactly as written on the Affidavit of Nominee. Candidates must use their full legal name; nicknames may be used, but must be listed in quotes; common shortened versions of first names do not require quotes. The Affidavit of Nominee can be amended or changed prior to the close of the nomination period. It cannot be changed after the nomination period has closed.

If the candidate has changed his or her name within one year prior to the election, the new name will not appear on the ballot unless the change was made by marriage or by Decree of Court. (Elections Code § 13104)

RANDOM ALPHA DRAW FOR BALLOT ORDER

The Secretary of State will perform a random alpha draw on December 15, 2016 to reset the alphabet to determine the order in which candidates will appear on the ballot. This process is governed by Elections Code Section 13112.

BALLOT DESIGNATION – CANDIDATES FOR ALL OFFICES

State law requires all candidates that submit a ballot designation to complete a Ballot Designation Worksheet and file the worksheet with the City Clerk. If a candidate does not submit a Ballot Designation Worksheet, they will not have a designation listed under their name on the official ballot.

Elections Code sections governing ballot designations

Elections Code § 13107.

(a) With the exception of candidates for Justice of the State Supreme Court or Court of Appeal, immediately under the name of each candidate, and not separated from the name by any line, unless the designation made by the candidate pursuant to Section 8002.5 must be listed immediately below the name of the candidate pursuant to Section 13105, and in that case immediately under the designation, may appear at the option of the candidate only one of the following designations:

(1) Words designating the elective city, county, district, state, or federal office which the candidate holds at the time of filing the nomination documents to which he or she was elected by vote of the people, or to which he or she was appointed, in the case of a superior court judge.

(2) The word "incumbent" if the candidate is a candidate for the same office which he or she holds at the time of filing the nomination papers, and was elected to that office by a vote of the people, or, in the case of a superior court judge, was appointed to that office.

(3) No more than three words designating either the current principal professions, vocations, or occupations of the candidate, or the principal professions, vocations, or occupations of the candidate during the calendar year immediately preceding the filing of nomination documents. For purposes of this section, all California geographical names shall be considered to be one word. Hyphenated words that appear in any generally available standard reference dictionary, published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted, shall be considered as one word. Each part of all other hyphenated words shall be counted as a separate word.

(4) The phrase "appointed incumbent" if the candidate holds an office other than a judicial office by virtue of appointment, and the candidate is a candidate for election to the same office, or, if the candidate is a candidate for election to the same office or to some other office, the word "appointed" and the title of the office. In either instance, the candidate may not use the unmodified word "incumbent" or any words designating the office unmodified by the word "appointed." However, the phrase "appointed incumbent" shall not be required of a candidate who seeks reelection to an office which he or she holds and to which he or she was appointed, as a nominated candidate, in lieu of an election, pursuant to Sections 5326 and 5328 of the Education Code or Section 7228, 7423, 7673, 10229, or 10515 of this code.

(b) Neither the Secretary of State nor any other elections official shall accept a designation of which any of the following would be true:

(1) It would mislead the voter.

(2) It would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous, or eminent.

(3) It abbreviates the word “retired” or places it following any word or words which it modifies.

(4) It uses a word or prefix, such as “former” or “ex-,” which means a prior status. The only exception is the use of the word “retired.”

(5) It uses the name of any political party, whether or not it has qualified for the ballot.

(6) It uses a word or words referring to a racial, religious, or ethnic group.

(7) It refers to any activity prohibited by law.

(c) If, upon checking the nomination documents and the Ballot Designation Worksheet described in Section 13107.3, the elections official finds the designation to be in violation of any of the restrictions set forth in this section, the elections official shall notify the candidate by registered or certified mail return receipt requested, addressed to the mailing address provided on the candidate’s Ballot Designation Worksheet.

(1) The candidate shall, within three days, excluding Saturday, Sunday, and state holidays, from the date he or she receives notice by registered or certified mail, or from the date the candidate receives actual notice of the violation, whichever occurs first, appear before the elections official or, in the case of the Secretary of State, notify the Secretary of State by telephone, and provide a designation that complies with subdivision (a).

(2) In the event the candidate fails to provide a designation that complies with subdivision (a) within the three-day period specified in paragraph (1), no designation shall appear after the candidate’s name.

(d) No designation given by a candidate shall be changed by the candidate after the final date for filing nomination documents, except as specifically requested by the elections official as specified in subdivision (c) or as provided in subdivision (e). The elections official shall maintain a copy of the Ballot Designation Worksheet for each candidate that appears on the ballot in the county for the same period of time as applied to nomination documents pursuant to Section 17100.

(e) The designation shall remain the same for all purposes of both primary and general elections, unless the candidate, at least 98 days before the general election, requests in writing a different designation which the candidate is entitled to use at the time of the request.

(f) In all cases, the words so used shall be printed in 8-point roman uppercase and lowercase type except that, if the designation selected is so long that it would conflict with the space requirements of Sections 13207 and 13211, the elections official shall use a type size for the designation for each candidate for that office sufficiently smaller to meet these requirements.

(g) Whenever a foreign language translation of a candidate’s designation is required under the Voting Rights Act of 1965 (52 U.S.C. Sec. 10101), as amended, to appear on the ballot in addition to the English language version, it shall be as short as possible, as consistent as is practicable with this section, and shall employ abbreviations and initials wherever possible in order to avoid undue length.

(Amended by Stats. 2015, Ch. 732, Sec. 29. Effective January 1, 2016.)

Use of the term “Community Volunteer” as a Ballot Designation Elections Code §13107.5

(a) A candidate’s ballot designation as “community volunteer” shall constitute a valid principal vocation or occupation for purposes of subdivision (a) of Section 13107, if not otherwise in violation of any of the restrictions set forth in that section, and subject to the following conditions:

(1) A candidate’s community volunteer activities constitute his or her principal profession, vocation, or occupation.

(2) A candidate is not engaged concurrently in another principal profession, vocation, or occupation.

(3) A candidate may not use the designation of “community volunteer” in combination with any other principal profession, vocation, or occupation designation.

(b) The Secretary of State shall by regulation define what constitutes a community volunteer for purposes of this section.

(Added by Stats. 2002, Ch. 364, Sec. 1. Effective January 1, 2003.)

The candidate statement will be printed in the voter pamphlet and mailed to registered voters within the council district for council candidates, and to all registered voters in the city for candidates running for citywide offices.

State law prohibits candidates from making any reference to any other candidate for that office in their candidate statement. If a statement does not comply with this provision it will not be accepted by the City Clerk.

The following is an excerpt from Elections Code Sections 13307 and 13308, regarding the preparation and form of the candidate statement. Please read this excerpt carefully, along with the special instructions which follow:

13307. “Each candidate for nonpartisan elective office in any local agency, including any city, county, city and county, or district, may prepare a candidate's statement on an appropriate form provided by the elections official. The statement may include the name, age and occupation of the candidate and a brief description, of no more than 200 words, of the candidate's education and qualifications expressed by the candidate himself or herself.

The statement shall not include the party affiliation of the candidate, nor membership or activity in partisan political organizations.

The statement shall be filed in the office of the elections official when the candidate's nomination papers are returned for filing. The statement shall be filed in the office of the elections official no later than the deadline for filing nomination papers.

Except as provided in Section 13309, the statement may be withdrawn, but not changed, during the period for filing nomination papers and until 5:00 pm of the next working day after the close of the nomination period.

Nothing in this section shall be deemed to make any statement or the authors thereof free or exempt from any civil or criminal action or penalty because of any false, slanderous, or libelous statements offered for printing or contained in the voter's pamphlet.”

13308. “Candidate's statement shall be limited to a recitation of the candidate's own personal background and qualifications, and shall not in any way make reference to other candidates for that office or to another candidate's qualifications, character, or activities. The elections official shall not cause to be printed or circulated any statement that the elections official determines is not so limited or that includes any reference prohibited by this section.”

The statement must be typewritten or computer generated. It may be no more than 200 words. It will be printed as a single paragraph. NO bold, *italics*, ALL CAPS, or underlining will be recognized by the printer. Refer to the enclosed Word Count Standards on how words are counted and keep within the 200 word maximum. Statements that exceed the word limit will end (cut off) at the word limit.

If a candidate names any person as an endorser within the text of the 200-word candidate statement, the candidate must obtain the written consent of the person named on a Consent Form supplied by the City Clerk. All consent forms must be filed with the candidate statement.

Furthermore, it must include among the duties of the office some delegation of the sovereign authority, be it legislative, executive, or judicial. Public officers are to be distinguished from mere public employees, who, although responsible to the public, do not possess any sovereign authority. Furthermore, public officers are to be distinguished from all private citizens who, although possibly involved in community affairs, are not in fact responsible to the people as a whole and who also possess no sovereign authority or responsibility." (City Attorney Opinion dated March 15, 1984)

Note on "public office"

Employees of corporations, public entities, and political organizations are not considered as "holding public office." Members of political parties and organizations are not considered as "holding public office." A public officer is considered one who is responsible to the public, as a whole, and possesses sovereign authority.

Definition of "community service"

"Instances of prior service, affiliation or membership in community organizations or any other organization to the end that the electors may be in a position to estimate his or her fitness to fill public office." (cannot exceed 25 words) (BMC 2.18.010)

CAMPAIGN DISCLOSURE INFORMATION

The Political Reform Act (PRA) is a state law that requires candidates for elective office and all committees supporting or opposing ballot measures or candidates to file campaign statements disclosing contributions received and expenditures made. The statutory requirements of the PRA are contained in Sections 81000 – 91015 of the California Government Code and enforced by the Fair Political Practices Commission (FPPC).

In addition to the requirements of the Political Reform Act, all campaign committees formed to support or oppose City of Berkeley ballot measures and candidates must also comply with the Berkeley Election Reform Act (BERA), Berkeley Municipal Code Chapter 2.12. The BERA has different reporting requirements than state law and limitations on contributions that are specific to Berkeley candidates.

For general questions regarding the Political Reform Act, you may contact the Technical Assistance Division of the state FPPC at (916) 322-5660, 1-866-ASK-FPPC or www.fppc.ca.gov

For questions specific to the BERA, call the Secretary to the Fair Campaign Practices Commission (FCPC) at (510) 981-6950 or the City Clerk at (510) 981-6900.

NEW BERA REGULATIONS

Mandatory Electronic Campaign Filing (BERA § 2.12.032)

On September 10, 2013, the City Council adopted an amendment to the Berkeley Election Reform Act (BERA) requiring Berkeley campaign committees that raise or spend \$1,000 or more to file their campaign statements electronically. This requirement became effective January 1, 2014. Previously, electronic filing of campaign statements was voluntary. The amendment also designates the electronic statement as the filing of record, thus eliminating the need to file hard copies with original signatures for most types of filings.

Contributor Disclosure on Campaign Communications (BERA § 2.12.335)

Campaign communications supporting or opposing any candidate or measure must include the name of the committee and the phrase “Major Funding Provided By” immediately followed by the name of the contributor, the city of domicile, and the total cumulative sum of contributions by each of the top four contributors over \$250 to the committee funding the expenditure made within six months of the expenditure.

This requirement applies to: 1) one thousand or more substantially similar pieces of campaign literature, including but not limited to mailers, flyers, pamphlets, and door hangers, 2) paid advertisements, including but not limited to newspaper, magazine, and internet ads, and 3) one thousand or more similar e-mails or pre-recorded telephone calls made within a calendar month.

Exceptions to the requirement include small promotional items, posters, yard signs, billboards, television or radio broadcasts, or advertisements. Please see section 2.12.335 for complete lists.

CHANGES TO STATE LAW

Late Contributions (BERA § 2.12.145, GC § 82036)

Pursuant to newly adopted state law, the reporting period for Late Contributions of \$1,000 or more from a single source, has been extended to the 90 days prior to Election Day and includes Election Day. These Late Contributions are reported on Form 497 within 24 hours between 12/7/16 – 3/7/17. BERA further requires Late Contributions of \$100 - \$999 from a single source, to be reported within 48 hours during the last 16 days prior to Election Day and on Election Day. See the FCPC Manual for more information.

Late Independent Expenditures (BERA § 2.12.297, GC § 82036.5)

Pursuant to newly adopted state law, the reporting period for Late Independent Expenditures of \$1,000 or more has been extended to the 90 days prior to Election Day and includes Election Day. Committees making Independent Expenditures of \$1,000 or more to support or oppose candidates or other ballot measures file Form 496 with the City Clerk within 24 hours between 12/7/16 - 3/7/17. Form 462 must also be filed within 10 days. The City of Berkeley has electronic filing requirements, please contact the City Clerk's Office for more information. The local BERA requirement that the person making the independent expenditure must also file three copies of the communication funded by the expenditure remains unchanged. See the FCPC Manual for more information.

For more information go to the FPPC New Regulations page: <http://www.fppc.ca.gov/the-law/fppc-regulations/newly-adopted-amended-or-repealed-regulations.html>

Quarterly Campaign Statements

BERA now requires that any type of campaign committee that is making expenditures of at least \$250 in support or opposition to a ballot measure (including during the signature gathering process for initiatives, recalls, and referenda), must file quarterly statements on the same schedule as a "ballot measure/primarily formed" committee. (BERA § 2.12.271)

Other noteworthy recent amendments to BERA:

The amendment to Section 2.12.485 adds the late independent expenditure filing to the list of filings resulting in state law established \$10 per day penalty for filing a report after the filing deadline.

The amendment to Section 2.12.231 provides that a penalty can be imposed after a good cause determination and formal hearing, or through a negotiated stipulated settlement. The penalty is capped at \$1,000 per violation, but allows for a penalty of a lower amount or other resolutions such as an order to "cease and desist" or to file reports or other documentation.

Tax ID Numbers

Some banks may require a committee to obtain a Tax ID Number before opening an account. Please contact the Internal Revenue Service for further details. You may apply for an ID Number using IRS Form SS-4. Please note that the Committee ID Number issued to you by the Secretary of State is separate and distinct from the Tax ID Number you may obtain from the IRS. The two numbers are not interchangeable.

Candidate & Treasurer Workshops

The City will conduct a workshop to teach Treasurers the requirements in the Government Code for campaign committees and how BERA differs from state law. More information regarding this important workshop will be sent out in advance.

The FPPC offers workshops in their Sacramento office and online, as well as through webinars, and videos. For more information go to <http://www.fppc.ca.gov/learn/training-and-outreach.html>. These workshops will cover state law only, so it is important for Treasurers to attend the workshop in Berkeley.

BERKELEY ELECTION REFORM ACT (BERA) REQUIRED FORMS, FILINGS, AND DIFFERENCES BETWEEN STATE AND LOCAL LAW REPORTING REQUIREMENTS

Berkeley's campaign disclosure requirements under the BERA differ from State law requirements. As a campaign filer you are responsible for knowing the differences between the BERA and State law requirements and filing the proper reports. While Berkeley uses the state's campaign disclosure forms, local campaign filers must comply with the BERA's disclosure requirements. Campaign filers should always consult the definitions and requirements provided in the BERA, the Fair Campaign Practices Commission (FCPC) Campaign Filing Manual, and the FCPC Regulations when completing the state forms to ensure full compliance with local law.

The following are highlights of local reporting requirements. It is only an overview and should not be relied upon in lieu of the above-mentioned resources. Please refer to Appendix A of the FCPC Campaign Filing Manual for a detailed discussion of the differences between the BERA and state law disclosure requirements.

Electronic Filing Requirements

Section 2.12.032 of the BMC requires Berkeley campaign committees that raise or spend \$1000 or more to file their campaign statements electronically. The amendment also designates the electronic statement as the filing of record, thus eliminating the need to file hard copies with original signatures for most types of filings. Per Fair Political Practices Commission requirements, the Form 410 establishing, amending or terminating a committee must still be filed in paper form with the State and a copy to the City.

Form 410 and City of Berkeley Statement of Organization

Although state law defines a recipient committee as any individual, group of individuals, organization or other entity that receives or spends \$2,000 or more during a calendar year for purposes of filing a Form 410 Statement of Organization, Berkeley law defines a recipient committee as an individual, group of individuals, organization or other entity that receives or spends **\$250** or more in a calendar year. (Berkeley Municipal Code (BMC) § 2.12.095.)

In Berkeley, every committee must file a Form 410 and City of Berkeley Statement of Organization with the City Clerk's Office **within 10 days** of the date of formation to comply with the BERA. (See BMC § 2.12.255.) The Form 410 need not be filed with the Secretary of State unless and until a committee spends or receives \$2,000. An amendment to the Form 410 and/or City of Berkeley Statement of Organization must be filed **within 10 days** of the date of a change to the committee name, officer information, when they qualify as a committee pursuant to state requirements, or any other update. (BMC § 2.12.265.)

State FPPC Regulation 18402 requires that the name of all candidate-controlled committees must contain the last name of the candidate, the office sought, and the year of the election. Similarly, committees primarily formed to support or oppose a candidate must include the last name(s) of the candidate(s) and whether or not they support or oppose the candidate(s).

Form 460: Recipient Committee Campaign Statement

Under state law, candidates, officeholders, ballot measure committees, primarily-formed and general purpose committees that spend or receive \$2,000 or more in a calendar year must file a Form 460. In Berkeley, candidates, officeholders, ballot measure committees, and independent committees that spend or receive **\$250 or more** in a calendar year must file a Form 460.

Under state law, monetary and non-monetary contributions; loans received, repaid, loans made and loan guarantors; expenditures supporting or opposing other candidates, measures and committees; payments made and expenses accrued; payments made by an agent or independent contractor; accrued expenses, loans made, and miscellaneous increases of cash in the amount of \$100 or more

must be both itemized and reported in the aggregate on the appropriate Schedules and summarized on the Summary Page.

However, in Berkeley, this information must be itemized at a **\$50 or more** threshold and must be reported on the proper schedule and summarized on the Summary Page. Filers must also include the principal place of business (i.e., city) for all self-employed donors who contribute \$50 or more.

The Form 460 must be filed semi-annually (January 31 and July 31) by all active campaign committees. If a committee makes expenditures directly tied to a candidate or measure in an election, the committee must also file at least two pre-election reports in addition to the semi-annual filings. A Form 460 must be filed when a committee is terminated.

Form 465: Supplemental Independent Expenditure Report

Under state law, the Form 465 is used for reporting of independent expenditures of \$1,000 or more in a calendar year to support or oppose a single candidate, a single measure, or the qualification of a single measure. In Berkeley, the Form 465 is used to report independent expenditures of **\$250 for or against a candidate or measure**. Expenditures of **\$50 or more** are required to be itemized. Form 465 is filed at the same time that the candidate or measure that was supported or opposed is required to file (semi-annual or pre-election deadline).

Form 470: Officeholder and Candidate Campaign Statement – Short Form

Under state law, the Form 470 is for use by candidates/officeholders who do not anticipate spending or receiving \$2,000 or more during a calendar year. However, in Berkeley, the Form 470 is for use by candidates/officeholders who do not anticipate **spending or receiving \$250 or more** in a calendar year. Candidates must file Form 470 no later than the due date for the first pre-election report. Officeholders that do not have an open campaign committee must also file the form annually, no later than July 31.

Form 496: Late Independent Expenditure Report

State law requires that candidates and committees making independent expenditures of \$1,000 or more during the last 90 days of the election file Form 496 within 24 hours. State law does not allow candidates to make independent expenditures for or against other candidates. Additionally, BERA requires that three copies of the communication funded by the independent expenditure must be filed with the City Clerk. Penalties of \$10 per day will be issued for Form 496 filed after the due date. (BMC 2.12.485)

Form 497: Late Contribution Report

State law requires that candidates and committees receiving or making a contribution of \$1,000 or more in the last 90 days of the election file Form 497 within 24 hours of receiving the contribution. The BERA additionally requires a form 497 to be filed within 48 hours for a contribution of \$100-\$999 received in the last 16 days of the election.

Note that the candidate or committee is responsible for ensuring the filing was received by the City Clerk Department. Committees should check with City Clerk staff by telephone or the City of Berkeley Electronic Filing System to confirm receipt of a late contribution report.

**OFFICE OF THE CITY CLERK
ADMINISTRATIVE POLICY**

**ASSESSING AND WAIVING FINES FOR THE
LATE FILING OF FPPC REGULATED DOCUMENTS**

PURPOSE

To establish a procedure for assessing and waiving fines for the late filing of statements of economic interests and campaign disclosure statements.

SCOPE

The Political Reform Act, contained in the California Government Code, mandates specific deadlines for the filing of statements of economic interests and campaign disclosure statements. Anyone filing a statement after a prescribed deadline may be fined. This procedure provides a guideline for the assessment and/or waiver of fines.

PROCEDURE

A. STATEMENTS OF ECONOMIC INTERESTS & CAMPAIGN STATEMENTS

1) General Provisions

Any person who does not file a statement of economic interests on time may incur a late penalty of \$10 for each day the statement is late, up to a maximum of \$100. (GC §91013)

Any person who does not file a campaign statement on time may incur a late penalty of \$10 for each day the statement is late. (GC §91013) The liability for the penalty for late filing is limited to the cumulative amount of the contributions or expenditures for the period covered by the report or \$100, whichever is greater.

The City Clerk, as the filing officer, has the authority to fully or partially waive a fine if, on an impartial basis, it is determined that the late filing was not willful. However, no liability may be waived if a statement is not filed by the deadline stated in the Specific Written Notice. (GC §91013)

For Campaign Reports, the late report must be filed within 10 days, or 5 days for a second pre-election statement, after specific written notice of late filing is sent in order to qualify for a waiver. (GC §91013)

2) Notices

The first notice, or Notice of Non-Filing, will be sent within 5 calendar days from the filing deadline.

The filing officer has the authority to waive or reduce fines for filers that submit a late report with a completed Request for Waiver of Liability. The waiver request must show good cause under the criteria listed below.

The second notice, or Specific Written Notice, will be sent 30 calendar days after the first notice of non-filing.

The filing officer may not waive or reduce the fine if the statement is not filed by the deadline stated in the Specific Written Notice. (GC §91013)

B. ASSESSING AND WAIVING LATE FILING FINES

Full fines will be imposed upon persons who file a statement after the filing deadline and receive a Notice of Non-Filing from the City Clerk, unless they have qualified for a waiver.

Persons who file a completed Request for Waiver of Liability may have their fine waived or reduced if their reason for filing late falls within the "good cause" guidelines adopted by the Secretary of State.

When considering whether or not to waive or partially waive a fine, the filing officer will take into consideration any prior late filings. A filer who repeatedly files late greatly increases the chance of receiving a fine.

C. PAYMENT OF FINE AND COLLECTION OF UNPAID FINES

Upon the assessment of a fine by the City Clerk, a Notice of Penalty and Invoice will be sent to the filer or responsible party (Treasurer). A due date for payment will be included in the Notice of Penalty and the Invoice. Fines may be paid in cash or check at the City Clerk Department.

Failure to remit full payment by the deadline will result in the matter being referred to the City of Berkeley Finance Department for collection. The Finance Department will issue a Statement of Outstanding Balance Due and may offer a payment plan. Continued failure to pay will result in either a lien being placed on the filer's property or a small claims action. A judgment in small claims court is public and will be reflected on the filer's credit record.

The filing officer may enter into a payment plan with the filer or responsible party prior to the matter being referred to the Finance Department. This agreement must be initiated prior to the deadline stated in the Notice of Penalty.

SECRETARY OF STATE GOOD CAUSE GUIDELINES

WAIVER REQUEST

A request for waiver must be submitted on a Request for Waiver of Liability Form (Form PRD-1). The waiver request must be signed by the person(s) required to file the particular statement or report upon which the late filing fee was assessed.

There are two categories of "good cause" for waiving late filing fees. These causes must relate to the person required to file the report or statement.

FIRST CATEGORY OF GOOD CAUSE

Incapacitation for Medical Reasons

Adequate documentation consists of a doctor's, psychologist's, therapist's, chiropractor's, or other medical provider's statement giving the nature of the incapacitation, the date(s) thereof, and the individual's name.

Hospitalization

Adequate documentation consists of a copy of the hospital bill or doctor's statement showing the patient's name and the date(s) of the hospitalization.

Accident Involvement

If medical attention is provided and results in the late filing, a copy of the hospital bill, emergency room service, or doctor's statement, showing the patient's name and date(s) and time(s) of medical attention, is adequate documentation. If the accident involvement results in delay or vehicle disablement which causes the late filing, adequate documentation consists of a police report showing the individual's name, the date and time of the accident, and, if applicable, whether or not the vehicle was disabled.

Death

Adequate documentation consists of a copy of the death certificate or an obituary notice.

SECOND CATEGORY OF GOOD CAUSE

The second category is defined as other unique, unintentional factors beyond the filer's control not stemming from a negligent act or non-action. The factors are:

Loss or Unavailability of Records

The loss or unavailability of records due to a fire, flood, theft or similar reason. Adequate documentation shall consist of a police, fire or insurance report, containing the date of the occurrence and the extent of the loss or damage.

Unique Reasons

Other unique reasons. These include compelling reasons beyond the filer's control.

D. DEPOSIT OF LATE FINES

Late fines shall be deposited into the City of Berkeley general fund account.

E. ADDITIONAL ENFORCEMENT

Assessment of penalties and fines by the City Clerk does not preclude the filer from further civil or criminal penalties from enforcement action taken by the Berkeley Fair Campaign Practices Commission (FCPC) or the State Fair Political Practices Commission (FPPC). The FCPC will be notified of all non-filing and penalty action taken by the City Clerk's Office. Filers may also be referred for enforcement by the FPPC.

Under the Berkeley Election Reform Act, the FCPC may pursue action at law against the filer that may result in the forfeiture of office, termination of candidacy, and ineligibility to seek office at future elections.

(b) Every person who hires or arranges for any other person to make use of or threaten to make use of any force, violence, or tactic of coercion or intimidation, to induce or compel any other person to vote or refrain from voting at any election or to vote or refrain from voting for any particular person or measure at any election, or because any person voted or refrained from voting at any election or voted or refrained from voting for any particular person or measure at any election is guilty of a felony punishable by imprisonment pursuant to subdivision (h) of Section 1170 of the Penal Code for 16 months or two or three years.

Elections Code §18541 states, “(a) No person shall, with the **intent of dissuading another person from voting**, within 100 feet of a polling place, do any of the following:

(1) Solicit a vote or speak to a voter on the subject of marking his or her ballot.

(2) Place a sign relating to voters’ qualifications or speak to a voter on the subject of his or her qualifications except as provided in Section 14240.

(3) Photograph, videotape, or otherwise record a voter entering or exiting a polling place.

(b) Any violation of this section is punishable by imprisonment in a county jail for not more than 12 months, or in the state prison. Any person who conspires to violate this section is guilty of a felony.

(c) For purposes of this section, 100 feet means a distance of 100 feet from the room or rooms in which voters are signing the roster and casting ballots.”

For purposes of §18541 (a)(3), the photographing, videotaping, or recording of a voter must be in order to dissuade the person from voting. This does not apply to situations where newspaper photographers are photographing a polling place for journalistic purposes.

Elections Code §18543 states, “(a) Every person who knowingly **challenges a person's right to vote** without probable cause or on fraudulent or spurious grounds, or who engages in mass, indiscriminate, and groundless challenging of voters solely for the purpose of preventing voters from voting or to delay the process of voting, or who fraudulently advises any person that he or she is not eligible to vote or is not registered to vote when in fact that person is eligible or is registered, or who violates Section 14240, is punishable by imprisonment in the county jail for not more than 12 months or in the state prison.

(b) Every person who conspires to violate subdivision (a) is guilty of a felony.”

In addition, §18403 also states, “Any person other than an elections official or a member of the precinct board who **receives a voted ballot from a voter or who examines or solicits the voter to show his or her voted ballot** is punishable by a fine not exceeding ten thousand dollars (\$10,000), by imprisonment in the state prison for 16 months or two or three years or in a county jail not exceeding one year, or by both the fine and imprisonment. This section shall not apply to persons returning an absentee ballot pursuant to Sections 3017 and 3021 or persons assisting a voter pursuant to Section 14282.”

ELECTION RESULTS

Semifinal Official Canvass (Election Night Results)

The semifinal official canvass will commence immediately upon the close of the voting at 8:00 pm, March 7, 2017.

There are two different ways you may inquire about Election Night Semifinal results:

- View the results as they are posted on ROV website <http://www.acgov.org/rov/>
- Call ROV main phone number (510) 272-6933

The Election Night Report will NOT provide precinct by precinct results or votes cast for write-in candidates. Those totals are only available in the Statement of the Vote which is released when the election is certified.

Ranked-Choice Voting

The Ranked-Choice Voting algorithm may be run periodically during the canvass. The results may change as more ballots are processed and tabulated.

Final Official Canvass

Election results are not final until the canvass is complete (refer to Division 15 of the Elections Code for procedural requirements and timeframes). It typically takes about 4 weeks to complete the Official Canvass and certify the official results of the election. The Official Statement of the Vote, showing the Official Final Results (totals, precinct by precinct results, and votes for qualified write-in candidates) is available from the ROV upon certification.

City Council to Receive Certification of Results

After the ROV certifies the results, the City Clerk will prepare the required resolution for the City Council to officially adopt the certified results. This will occur at the first available meeting where Open Government Ordinance deadlines permit placement on the agenda.

Elected Officers to be Seated

Certificates of election will be issued by the City Clerk. The newly elected officers may be sworn in by the City Clerk at a time convenient to the elected official.

CAMPAIGN SIGNS

Signs on Private Property

Political signs may not be placed on any private property (residential, commercial, or industrial) without the permission of the owner. State Penal Code Sections 556.1 and 593 govern this activity.

Penal Code Section 556.1

“It is a misdemeanor for any person to place or maintain or cause to be placed or maintained upon any property in which he has no estate or right of possession any sign, picture, transparency, advertisement, or mechanical device which is used for the purpose of advertising, or which advertises or brings to notice any person, article of merchandise, business or profession, or anything that is to be or has been sold, bartered, or given away, without the consent of the owner, lessee, or person in lawful possession of such property before such sign, picture, transparency, advertisement, or mechanical device is placed upon the property.”

Signs on Utility Poles

PG&E prohibits the attachment of campaign signs to PG&E utility poles or other facilities. The U.S. Supreme Court ruled that third parties have no right to use utility property to communicate messages to the public [Pacific Gas and Electric v. Public Utilities Commission, 475 U.E. 1 (1986)].

Signs on Light Poles

Placing signs on city-owned light poles is generally acceptable with certain restrictions. Signs may not create a traffic hazard by obstructing vision or interfere with any authorized sign.

Signs on State Right of Way

Caltrans has strict procedures for the allowance of temporary signs on the state right of way. On the following pages you will find an authorization form provided by Caltrans. Please use this form if you plan to place any signs in the state right-of-way.

Signs on Medians

Placing signs on medians is only permitted in restricted circumstances. Political signs do not meet these restrictions and cannot be placed on medians.

Signs on Parking Strips

Election signs are considered temporary signs, and currently they are allowed in the parking strip. The parking strip is the planted area between the curb and the sidewalk.

Other Sign Limitations in Berkeley

Berkeley Municipal Code Title 20, Sections 20.04 through 20.68 regulates the placement of temporary and permanent signs in the city. Please review these regulations carefully to avoid any unwanted enforcement actions during your campaign. A copy of these regulations will be provided to you at the time of filing.

- B. Is placed no sooner than 90 days prior to the scheduled election and is removed within 10 days after that election.
- C. Is no larger than 32 square feet.
