**PRIMARY ARGUMENT PERIOD OPENS:** 8:00 a.m., Monday, August 15, 2016  
**DEADLINE FOR FILING ARGUMENTS:** 12:00 p.m., Friday, August 19, 2016

**REBUTTAL ARGUMENT PERIOD OPENS:** 4:00 p.m., Friday, August 19, 2016  
**DEADLINE FOR FILING REBUTTALS:** 12:00 p.m., Friday, August 26, 2016

#### **\*\*\*IMPORTANT REGULATIONS\*\*\***

*If the argument is filed by, 1) the legislative body or authorized members of the legislative body; or 2) individual voters eligible to vote on the measure, then, pursuant to Elections Code Sections 9282 and 9283, all signors to the argument must be eligible to vote on the measure (i.e. residents of Berkeley, 18 years old, U.S. Citizens, and not incarcerated or on parole for a felony conviction).*

*Each required form must be fully completed and executed. Hard copies must be submitted with the ballot measure argument (the City Clerk will not accept e-mailed or faxed consent forms). Original signatures are preferred but not required.*

Primary Arguments for or against ballot measures shall not exceed 300 words in length. Rebuttal Arguments for or against ballot measures shall not exceed 250 words in length (EC 9282, 9285). Word count will be determined using the standards set forth in Elections Code Section 9.

If more than one argument is submitted on a measure, the City Clerk shall select the argument and shall give preference, in the order named, to arguments of the following: (EC 9287)

- a) The legislative body, or member or members of the legislative body authorized by that body.
- b) The individual voter or bona fide association of citizens, or combination of voters and associations, who are bona fide sponsors or proponents of the measure.
- c) Bona fide associations of citizens.
- d) Individual voters eligible to vote on the measure.

If more than one argument from the same level of standing is submitted, the argument to be printed will be determined by the procedure in Attachment 5.

Each ballot argument must be accompanied by the printed name(s) and signature(s) of the person or persons submitting it or, if submitted on behalf of an organization, **the name of the organization and the printed name and signature of at least one of its principal officers who is the author of the argument** (EC 9283).

No more than five signatures shall appear with any argument. In case any argument is signed by more than five persons, the signatures of the first five shall be printed (EC 9283). Authors must list the signors' names and titles on the argument in the order in which they wish them to appear.

For any signor on a city ballot measure, a consent form is required for the use of any organization name in the signor's title. The organization must consent to the use of its name for all signors. Offices held with public agencies (including city boards and commissions) do not require a consent form from the jurisdiction. Titles for signors to ballot arguments are limited to 25 words. Words will be counted in accordance with Elections Code Section 9.

A consent form is also required if an author lists a person or organization as a supporter or endorser in the text of the argument.

Each signor must complete the required signature form. All signors for primary arguments and rebuttal arguments must complete a signature form. All forms must be submitted at the time the respective primary argument or rebuttal argument is filed. A separate signature form is required for the rebuttal argument even if the same signor completed a form for the primary argument. (EC 9600)

The names and titles of proponents will be printed exactly as they appear on the "Printed Name" line and the "Title" line on the signature form.

If the argument is filed by, 1) the legislative body or authorized members of the legislative body; or 2) individual voters eligible to vote on the measure, then, pursuant to Elections Code Sections 9282 and 9283, all signors to the argument must be eligible to vote on the measure. If the argument is filed by bona fide association of citizens, or the proponent of an initiative or referendum, the signors do not need to be eligible to vote on the measure.

The City Clerk, upon receipt of arguments and after the filing deadline, will immediately transmit copies to any known opposing parties who may then submit rebuttals within the time period shown above. (EC 9285)

Primary arguments may be changed or withdrawn up to 12:00 p.m., August 19, 2016. Rebuttal arguments may be changed or withdrawn up to 12:00 p.m., August 26, 2016. **Proponents are urged to submit their arguments prior to the deadline to ensure an opportunity for the Clerk to review and for authors to have an opportunity to make any necessary changes.** Arguments received prior to the deadline are **confidential** until the deadline. (EC 9286)

Please note, only those person(s) whose argument has been selected by the City Clerk in accordance with Election Code 9287 may file a rebuttal argument. (EC 9285)

Primary arguments and rebuttal arguments must be typed or printed from a computer. Hand written arguments will not be accepted. If prepared on a computer, please submit your primary argument and rebuttal argument electronically in addition to the required hard copy.

**The Signature Form must be submitted at the time the primary argument or rebuttal argument is filed.**

The 10-day public review period for all ballot materials opens at 4:00 p.m. on August 26, 2016 and closes at 5:00 p.m. on September 6, 2016.

Please do not hesitate to contact the City Clerk at 981-6908 if you have any questions regarding this process.

**Selection Procedure  
Multiple Ballot Measure Arguments**

Elections Code Section 9287 establishes a hierarchy for the submission of arguments to determine whose argument has priority.

**9287.** If more than one argument for or more than one argument against any city measure is submitted to the city elections official within the time prescribed, he or she shall select one of the arguments in favor and one of the arguments against the measure for printing and distribution to the voters. In selecting the argument the city elections official shall give preference and priority, in the order named, to the arguments of the following:

- (a) The legislative body, or member or members of the legislative body authorized by that body.
- (b) The individual voter, or bona fide association of citizens, or combination of voters and associations, who are the bona fide sponsors or proponents of the measure.
- (c) Bona fide associations of citizens.
- (d) Individual voters who are eligible to vote on the measure.

The Elections Code does not define “bona fide association of citizens” nor does it state who may be a member, or if any, or all of the members must live in the jurisdiction that is voting on the measure. Similarly, the code does not require that the signors of the argument, when filed by a bona fide association of citizens, must reside or be registered to vote in the jurisdiction that is voting on the measure.

If the argument is being filed by a bona fide association, Election Code Section 9283 requires that “the name of the organization and the printed name and signature of at least one of its principal officers who is the author of the argument” must accompany the argument.

In order to be considered a “bona fide association” for filing an argument for a city measure, the organization or association must submit one of the following: articles of

incorporation, letterhead with the name of the organization and its principal officers, or some other written document indicating the same.

The code does not contain any provision for selecting an argument based on which argument was filed first, or earliest in relation to any arguments filed later, but before the deadline. All arguments filed before the deadline are considered equal in priority.

The code clearly states that only one argument for and one argument against may be printed (**EC Sec. 9287**). If two or more parties filing an argument for or against a measure fall under the same classification, then the Elections Official shall select one argument to print. The Elections Official will determine the most appropriate procedure to select the argument to be printed.

The Berkeley Municipal Code and the City Charter do not stipulate a method for selecting arguments if multiple arguments of equal standing are filed. Therefore, state law is followed to make the determination.

The procedure to determine the winning candidate in the case of a tie vote is by drawing of lots (**EC Sec. 15651**). The Elections Official may determine that the drawing of lots, as outlined below, is the most appropriate means to select the argument to be printed.

#### **Procedure for Drawing of Lots**

The names of the authors of the arguments shall be written on pieces of paper, folded, and placed in a container. The container will be agitated to mix the papers, and then one paper shall be drawn at-a-time. As each piece of paper is removed, it will be opened and the name recorded in the order it was removed.

The order in which the names are removed from the container shall be the order of priority for printing the argument, i.e., the first name chosen shall be the author whose argument shall be printed.

Arguments for a measure and arguments against a measure will each have their own drawing process.

The results will then be posted in the City Clerk Department.
