8. **Safety for All: The George Floyd Community Safety Act - Development of a Progressive Police Academy**

From: From: Councilmember Bartlett

Referred: June 16, 2020

Due: December 1, 2020

Recommendation: That the City Council refers to the Public Safety Committee to develop a progressive police academy and curriculum. That this progressive academy is hosted by the City of Berkeley and offered for use by the regional. The City should hire consultants and convene stakeholders including the Police Review Commission, a community task-force, and the Berkeley Police Department to create the academy's programmatic design. Once established, Berkeley Police Department recruits will attend this academy for basic training. The training program is intended to become revenue neutral. The program will be offered on a paid subscription basis to interested jurisdictions. Berkeley's progressive police academy envisions a curriculum that teaches recruits de-escalation, empathy, and the Critical Decision-Making Model (CDM). CDM encourages officers to challenge their biases, refrain from using force when possible, and build police-community trust. By reshaping police ideology through education, the City of Berkeley can tackle police brutality and police misconduct at their roots.

Financial Implications: This recommendation would reallocate some funding from the department's Training and Standards division to the development of a new regional police academy. Once established, Berkeley's police academy would serve as a training institution for recruits from other progressive minded jurisdictions throughout the region. Attracting recruits from other cities and counties would potentially make this a revenue generating measure.
