Omnibus Motion on Public Safety Items (Items 18a-e) July 14, 2020

That the Berkeley City Council adopts the following motion:

1. To APPROVE item 18a "George Floyd Community Safety Act - Budget Request to Hire a Consultant to Perform Police Call and Response Data Analysis" (Bartlett) as revised in Supplemental Packet 1 and further amended below:

- *Reaffirming the Council's prior action adopting Recommendation # 1 through its allocation of \$160,000 for an Auditor I position in the FY 2021 Budget to conduct a data-driven study that includes analysis of police calls and responses, as well as analysis of the Berkeley Police Department (BPD) budget and expenditures, which could include by call type, including FTE (full-time equivalent position), cost per FTE, overtime and special pay expenditures and supervisory structure. Recommended data points/areas of focus are included in pages 4-7 of the Bartlett item. The Auditor is encouraged to consult subject matter experts in developing the scope of work for this study and to consult with the community-based organization selected for community outreach (Item 18d) throughout her work.*

- *Approving Recommendation # 2 as revised below:*

Refer to the City Manager and the public safety reimagining process in item 18d to evaluate initiatives and reforms that reduce the footprint of the Police Department and limit the Police's scope of work primarily to violent and criminal matters.

- *Allocate \$100,000 from the FY 2021 Unallocated General Fund Balance (of \$141,518 unallocated in the FY 2021 Adopted Budget) to analyze and develop a pilot program to re-assign non-criminal police service calls to a Specialized Care Unit. This Specialized Care Unit (SCU) consisting of trained crisis-response workers would respond to 911 calls that the operator evaluated as non-criminal and that posed no imminent threat to the safety of first responders. The program would be designed by staff based on existing successful models and likely employ a combination of mental health professionals as well as EMTs and/or nurses, who would be unarmed. The program should be designed to reduce costs while enhancing outcomes in public safety, community health, mental health, social services, civil rights, and overall quality of life. Based on pilot results, a proposal to adjust and/or expand and continue the program, and related reductions in policing services, should be presented to the City Council for consideration in time for inclusion in the FY 2022 budget. (Council previously approved a study of the creation of a Specialized Care Unit pilot on June 16, 2020)*

2. To APPROVE the following recommendations based on Councilmember Davila's item 18b "Support Redistribution of City Resources and Operations from the Berkeley Police":

- *As previously recommended in other areas of this motion by other Councilmembers, refer as part of the public safety reimagining process to evaluate functions currently served by Berkeley Police personnel*

Action Calendar

which could be better served by trained non-sworn city staff or community partners and how those positions/responsibilities could be transferred out of the police department as soon as practicable. (Davila Recommendation 1 modified)

- *Refer to the public safety reimagining process the goal of reducing the Berkeley Police Department budget by 50%, to be based on the results of requested studies and analysis and achieved through programs such as the Specialized Care Unit. Functions to consider shifting away from the Police Department include non-emergency calls that are evaluated to pose no danger to the safety of responders, such as calls related to enforcement of COVID-19 Shelter in Place orders, mental health calls (including wellness checks), calls related to quality of life crimes, calls related to homelessness, and any other calls that can be safely served by another new or existing city or community partner resource (Davila Recommendation 2 and 3 modified)*

- *Engage in a full and complete operational analysis, undertake meaningful community consultation and develop a transition plan. This reduction will enable a reallocation of public safety resources so that Police are focused on violent and criminal matters, and consider how to shift resources to, among others, non-sworn mental health, homeless outreach, and parking and traffic enforcement professionals. This will also enable the reallocation of existing police dollars for community programs and priorities to support communities of color, promote violence prevention and restorative justice and improve community health and safety. (Davila Recommendation 3 modified)*

- *Reducing the Berkeley Police Department budget will allow funding to be considered for these and other similar priorities: youth programs, or community groups and programs, violence prevention and restorative justice programs, domestic violence prevention, housing and homeless services, food security, mental health services including a specialized care unit, healthcare, new city jobs, expanded partnerships with community organizations, public health services, and the creation of a new Department of Transportation to administer parking regulations and traffic laws. (Davila Recommendation 4 modified)*

- *Refer to the City Manager and the public safety re-imagining process to identify the expertise needed for non-police responses to calls, taking into account comparable approaches including CAHOOTS and other existing programs that might be expanded such as the Berkeley Free Clinic, Building Opportunities for Self Sustainability (BOSS), and the Women's Daytime Drop-in Center, Consider the Homeless and others. (Davila recommendation 6 modified)*

- *Create plans and protocols for emergency/911 dispatch to send calls to the preferred responding entity and consider placing dispatch in the Fire Department or elsewhere outside the Police Department. (Davila recommendation 7 modified)*

- *Policing in schools (Davila recommendation #8). Amended to state that the City will align its work with the school district's commitment to look at exploring and reducing policing in the schools*

(Councilmember Davila's suggested language encouraging BUSD to adopt policies to safeguard information from ICE is already adopted district policy. BUSD was one of the first districts in the country to adopt a sanctuary schools policy and should be commended for its forward-thinking leadership.)

- *Refer to the City Manager and public safety reimagining process an analysis of litigation outcomes and exposure for city departments in order to guide the creation of city policy to reduce the impact of settlements on the General Fund. (Amended as proposed by Councilmember Droste)*

3. To APPROVE the report and resolution in item 18d "Transform Community Safety and Initiate a Robust Community Engagement Process" (Mayor/Hahn/Bartlett/Harrison) with the following revisions below:

- *Amend recommendation 3 to clarify that the City Manager would "collaborate with the Mayor and all Councilmembers to complete the work, to inform investments and reallocations to be incorporated into future Budget processes."*

Action Calendar

- Amend recommendation 3 to refer all of the recommendations from the Berkeley United for Community Safety coalition to the City Manager and public safety reimagining process for consideration.
- Amend recommendations 3(a) (ii) to clarify that the analysis and initial recommendations on shifting police resources to alternate, non-police responses and toward alternative and restorative justice models will coincide with the next available budget process, whether that is the November 2020 AAO#1, April 2021 AAO#2, or the June 2021 budget process.
- Amend recommendation 3(b) to add the following language proposed by Councilmember Wengraf in item 18c:

This work should include public, transparent community forums to listen, learn and receive people's ideas about how policing should be re-imagined and transformed so that communities of color can be safer within their neighborhoods, the City of Berkeley, and trust in the Berkeley Police Department can begin to be rebuilt.

Our communities of color, particularly our African American community must be at the forefront of conversations to re-imagine approaches to policing and public safety.

- Amend recommendation 3(b)(1) to read: *Building on the work of the City Council, the Council Public Safety Policy Committee, the City Manager, the PRC, other City commissions and working groups (e.g. the Mayor's Fair and Impartial Policing Working Group) addressing community health and safety, the Community Safety Coalition and community process will engage relevant city commissions in this work on an ongoing basis.*

4. To APPROVE Item 18e "BerkDOT: Reimagining Transportation for a Racially Just Future" (Robinson) as revised in Supplemental Packet 1:

Refer to the City Manager, the FY 2021-22 budget process, and the proposed community engagement process to reimagine public safety to:

- (1) *Pursue the creation of a Berkeley Department of Transportation (BerkDOT) to ensure a racial justice lens in traffic enforcement and the development of transportation policy, programs, & infrastructure, and*
- (2) *Identify & implement approaches to reduce and/or eliminate the practice of pretextual stops based on minor traffic violations.*

18b. Support Redistribution of City Resources and Operations from the Berkeley Police

From: Councilmember Davila (Author)

Recommendation: Adopt a resolution supporting Redistribution of City Resources and Operations from the Berkeley Police, and taking the following actions: 1.

Request that any function that is currently served by Berkeley Police but would be better served by trained city staff or community partners should be transferred out of the police department with all due haste 2. These functions include all non-emergency calls, mental health calls (including wellness checks), calls related to intoxication, calls related to homelessness, calls involving domestic violence, and any other calls that can be served by any other city resource, and 3. The current proposed police budget for 2021 (\$72,774,334) will be reduced by an amount of 50% (\$36,387,167) or greater and funding of community programs and non-police city agencies will be increased by a commensurate amount, and 4. Reducing the Berkeley Police Department budget by at least 50 percent will allow funding for but not limited to youth programs or community groups and programs, housing and homeless services, food security, mental health services, healthcare, creation of new city jobs, and public health services. 5. Calls involving domestic violence, homelessness, and mental health require specialized responding staff who have been trained in de-escalation and are able to provide direct services to Berkeley residents who are in crisis. The City Auditor is hereby directed to prepare a report to

Action Calendar

Council that reveals the amount of funding that will become available as a result of these reductions in police responsibilities. 6. The City Manager will identify the expertise needed for non-police responses to these calls, taking into account comparable approaches including CAHOOTS as well as existing local programs which could possibly expand with additional funding such as: the Berkeley Free Clinic, Building Opportunities for Self Sustainability (BOSS), and the Women's Daytime Drop-in Center, Consider the Homeless and others, and initiate an RFP process for community organizations to provide those services. 7. The City Manager should create a plan for a non-police hotline that can receive 911 calls and connect those calls with non-police resources as appropriate, either by expanding the 311 mandate or creating a new city agency (perhaps 811 recognizing 8 to Abolish). 8. The City Council requests the Berkeley Unified School District and all Berkeley schools, both public and private to end programs that bring police officers into the schools, and to do everything within their power to protect undocumented students and families and to safeguard their information and prevent it from being shared with from police, including ICE (Immigration and Customs Enforcement). 9. That general fund dollars are not to be expended to pay out settlements resulting from police officer negligence, brutality, or murder. Those settlements will henceforth be deducted from police department budgets. 10. That the Police Review Commission and Peace and Justice Commission are instructed to form a joint committee to annually review police responsibilities and make recommendations to the City Council regarding additional functions that could better be served by non-police staff.

18c. Referral to City Manager to Re-imagine Policing Approaches to Public Safety Using a Process of Robust Community Engagement, to Develop a Path Forward to Transforming Public Safety and Policing in Berkeley

From: Councilmember Wengraf (Author), Councilmember Davila (Co-Sponsor)

Recommendation: We must have our communities of color, particularly our African American community, at the forefront of conversations to re-imagine approaches to policing and public safety in Berkeley. The people most disparately impacted must have a vital role in the creation of new ways to enhance accountability, compassion and transparency as we move forward to address racial inequities and disparate outcomes of policing in Berkeley.

This item is an urgent referral to the City Manager to act quickly and thoughtfully in creating substantial community engagement to develop a new model for policing in Berkeley, to address racial inequities, ensure community health and safety needs are met, and to build trust within our communities of color.

This work should begin with public, transparent community forums to listen, learn and receive people's ideas about how policing should be re-imagined and transformed so that communities of color can be safer within their neighborhoods, the City of Berkeley, and trust in the Berkeley Police Department can begin to be rebuilt. The City Manager will send a list of recommendations to the full Council for review and public input.

Financial Implications: Staff time

Action: Approved recommendation 3(b) as amended in the Mayor's omnibus motion.

18d. Transform Community Safety and Initiate a Robust Community Engagement Process

From: Mayor Arreguin (Author), Councilmember Hahn (Author), Councilmember Bartlett (Author), Councilmember Harrison (Author)

Recommendation:

1. Adopt a Resolution expressing the City Council's commitment to:
 - a. A transformative approach to community-centered safety and reducing the scope of policing,
 - b. Equitable investment in the essential conditions of a safe and healthy community, especially for those who have been historically marginalized and have experienced disinvestment, and
 - c. A broad, inclusive community process that will result in deep and lasting change to support safety and wellbeing for all Berkeley residents.
2. Direct the City Manager to track and report progress on actions to implement this initiative, and other actions that may be identified by the Coalition and referred by Council to the City Manager. Updates shall be provided by written and verbal reports to Council and posted on a regularly updated and dedicated page on the City website.
3. Direct the City Manager to collaborate with Mayor and select Councilmembers to complete the following work, to inform investments and reallocations to be incorporated into future Budget processes:

Action Calendar

a. Contract with independent subject matter experts to:

i. Analyze the scope of work of, and community needs addressed by, the Berkeley Police Department, to identify a more limited role for law enforcement, and identify elements of police work that could be achieved through alternative programs, policies, systems, and community investments. Analysis should include but not be limited to: calls received by dispatch by type of complaint, stops by law enforcement generated at officer discretion (as contained in the Police Department's open data portal) or on request of other city agencies, number of officers and staff from other city agencies that respond to incidents, estimated time in response to different types of calls, daily patrol activities, organizational structure, and beat staffing. Work to include broad cost estimates of police and other city agency response to different types of calls, and other information and analysis helpful to identify elements of current police work that could be transferred to other departments or programs or achieved through alternative means. Work should be completed in time for the November 2020 Annual Appropriation Ordinance revision.

ii. Identify immediate and longer-term opportunities to shift policing resources to alternative, non-police responses and towards alternative and restorative justice models, to better meet community needs, that could be considered in the November 2020 AAO#1 budget process. Some areas to be considered include homeless outreach and services, substance abuse prevention and treatment, and mental health/crisis management, as well as alternative models for traffic and parking enforcement, "neighborhood services" and code enforcement. Provide a broad timeline and process for transitioning functions not ready for transition at this first milestone.

Deliverables should coincide with budget cycles, including the November 2020 AAO and FY 2022-2023 Budget processes, and provide a suggested timeline for transitioning functions at these and other budget opportunities, so that alternative investments may be considered for funding and launched in a timely and orderly manner.

b. Contract with independent Change Management experts to initiate and facilitate a representative Community Safety Coalition, guided by a Steering Committee, that will begin meeting no later than January 2021. The CSC and its Steering Committee should be broadly inclusive and representative of Berkeley residents and stakeholders. The Steering Committee, with the support of Change Management professionals, shall be responsible for engaging the Coalition and the broader Berkeley community and relevant City Staff in a robust process, to achieve a new and transformative model of positive, equitable and community-centered safety for Berkeley.

The work of the Coalition should include but not be limited to:

1. Building on the work of the City Council, the City Manager, the PRC and other City commissions and other working groups addressing community health and safety.
2. Research and engagement to define a holistic, anti-racist approach to community safety, including a review and analysis of emerging models, programs and practices that could be applied in Berkeley.
3. Recommend a new, community-centered safety paradigm as a foundation for deep and lasting change, grounded in the principles of Reduce, Improve and

Action Calendar

Reinvest as proposed by the National Institute for Criminal Justice Reform (Attachment 3), considering, among other things:

- a. The social determinants of health and changes required to deliver a holistic approach to community-centered safety
 - b. The appropriate response to community calls for help including size, scope of operation and powers and duties of a well-trained police force.
 - c. Limiting militarized weaponry and equipment.
 - d. Identifying alternatives to policing and enforcement to reduce conflict, harm, and institutionalization, introduce alternative and restorative justice models, and reduce or eliminate use of fines and incarceration.
 - e. Options to reduce police contacts, stops, arrests, tickets, fines and incarceration and replace these, to the greatest extent possible, with educational, community serving, restorative and other positive programs, policies and systems.
- c. The Coalition's goal/output will be a set of recommended programs, structures and initiatives to incorporate into upcoming budget processes for FY 2022-23 and, as a second phase, in the FY2024-2025 budget processes to ensure that recommended changes will be achieved. The Coalition shall return to City Council an initial plan and timeline by April 1, 2021, to ensure the first phase of changes can be incorporated into the FY2022-23 Budget Process.

Financial Implications: See report

Contact: Jesse Arreguin, Mayor, (510) 981-7100

Action: To approve the report and adopt Resolution No. 69,501–N.S. in item 18d “Transform Community Safety and Initiate a Robust Community Engagement Process” as amended in the Mayor’s omnibus motion.

18e. **BerkDOT: Reimagining Transportation for a Racially Just Future**

From: Councilmember Robinson (Author), Councilmember Droste (Author), Councilmember Bartlett (Author), Mayor Arreguin (Author)

Recommendation: Refer to the City Manager, the FY 2021-22 budget process, and the proposed community engagement process to reimagine public safety to pursue the creation of a Berkeley Department of Transportation (BerkDOT) to ensure a racial justice lens in traffic enforcement and the development of transportation policy, programs, & infrastructure.

Financial Implications: See report

Action: To approve Item 18e “BerkDOT: Reimagining Transportation for a Racially Just Future” (Robinson) as revised in Supplemental Communications Packet #1 and in the Mayor’s omnibus motion.

19. Animal Services Contract with the City of Piedmont *(Continued from June 30, 2020)*

From: City Manager

Recommendation: Adopt a resolution authorizing the City Manager to execute a contract, with any amendments, with the City of Piedmont for animal care services for FY2021-FY2025, which increases the existing contract by up to \$180,134, with a total contract amount not to exceed \$441,984.

Financial Implications: See report
