Dear Berkeley Mayor, Council Members and City Manager;

The following are highlights of 2-1-1 services during April.

2-1-1 Alameda County Resource Specialists handled 9,437 calls during the month of April and distributed 17,650 health, housing and human service referrals. Of the unduplicated callers, 79% were female, 33% were single headed households with children, and 41% were disabled. In addition, people are also relying on the 2-1-1 online health and human services website resource directory. During the month of April the online directory received 818,359 hits from 55,630 visitors.

2-1-1 Centers across the state are participating in discussions, on a local and statewide level, about how the 24/7 multilingual phone lines can assist in both the Realignment and Healthcare Navigation processes. Since government and community based staff have been relying on 2-1-1 for several years they are more familiar with the ways in which 2-1-1 can expand its services to include such assistance as outgoing calls, eligibility assessments, enhanced data collection and analysis, and outreach to targeted populations.

The agency celebrated Volunteer Appreciation Week by thanking our numerous volunteers for their 3,772 hours of service so far this fiscal year. These men, women and young adults are truly valued by the Board, staff and clients of Eden I&R.

Eden I&R's Executive Director and Ed Schoenberger from the United Way of the Bay Area represented the Bay Area's 2-1-1 programs at Toni Fitzpatrick's memorial service in Santa Rosa. Toni was the beloved 2-1-1 Program Supervisor of the Volunteer Center's Sonoma County 2-1-1 service. She died suddenly of a brain aneurysm, and her enthusiasm, warm personality and passion will be missed by the entire 2-1-1 Bay Area partnership.

Attached are the complete 2-1-1 Narrative and Statistical Reports for the month of April 2012 which contain this information as well as the remainder of the activities and statistics for the 2-1-1 program. If you have any questions or problems with these attachments please let me know.

Thank you for your continued support of the 2-1-1 program.

Call Information

| | |
|----------------------|---|
| <p>Call Examples</p> | <p>~ A senior Livermore resident called 2-1-1 and informed the 2-1-1 Phone Resource Specialist that she wanted to die. Upon further questioning, 2-1-1 determined that the caller was not suicidal and that she was voicing her frustration at having limited mobility, being unable to drive, living with various ailments and dependent on a son and daughter in-law who are not living in the same home for transport and other assistance. The caller spoke at length with 2-1-1 and eventually informed 2-1-1 that she would benefit from counseling for seniors and referrals to peer support groups. The caller was referred to The Crisis Support Services of Alameda County and to the Livermore Senior Services Center for group counseling and peer support groups.</p> |

| | <p>~ An Oakland resident called 2-1-1 following an altercation with her partner, during which time the caller indicated she had been stabbed. The caller was in the process of getting away from the perpetrator and called 2-1-1 while on the street. The 2-1-1 Phone Resource Specialist immediately informed the caller that she would connect the caller to 9-1-1. The caller was fearful that if her partner found her speaking with 9-1-1 call on her phone "he would kill her". The caller informed 2-1-1 that she had been told by a passerby on the street to dial 2-1-1 instead of 9-1-1. The 2-1-1 Resource Specialist immediately dialed 9-1-1 while the caller remained on the line, and provided 9-1-1 important details: the location of the caller, a personal description and details of the caller's clothing provided by the caller. 9-1-1 responded immediately, maintaining phone contact with 2-1-1. Law Enforcement saw a staggering woman on the phone (with 2-1-1) and realized they had located the victim.</p> |
