Subject: RE: A-2062(a) [City of Berkeley]

Ms. Bashaw:

The City of Berkeley requests that the State Board continue to hold this petition in abeyance for an additional two years. We continue to hope to work this matter out with the Regional Board and other regulatory authorities over the course of a long-term compliance effort that is underway.

Please confirm that the State Board will continue to hold this petition in abeyance.

Thank you,

Zach Cowan

Berkeley City Attorney
