July 9, 2012

To: Honorable Mayor and City Councilmembers
From: Christine Daniel, City Manager 
Subject: Appointment of William Rogers as Deputy City Manager

I am pleased to let you know that I have finalized the appointment of William Rogers as the Deputy City Manager. William has served in an interim capacity since November 2011, and prior to that as the Director of the Parks, Recreation and Waterfront Department. William has a lengthy history with the City, beginning over 15 years ago in the Health Services Department. His deep commitment to the organization and the community has been reflected throughout all of his work, and particularly his leadership with 2020 Vision. I am pleased that William and I will continue to work together in support of the Berkeley community, all of you and the entire City organization.
