

Office of the City Manager

April 9, 2014

To: Honorable Mayor and Members of the City Council
From: Christine Daniel, City Manager 
Subject: North Berkeley Senior Health Fair – April 23, 2014, 10 a.m. – 2 p.m.

The City of Berkeley North Berkeley Senior Center is pleased to announce our 3rd Annual Senior Health Fair. The Fair is open to seniors age 55 and over and their family and friends.

The planning committee, comprised of senior leaders and long-time volunteers, cordially invites you to both attend the event and say a few words in support of Berkeley's seniors and their health and wellness. Please let us know if you are interested in participating in this year's event.

The Fair will occur on Wednesday, April 23rd, 2014 from 10 a.m. – 2 p.m. We will have representation from community organizations that will provide seniors and other community members with helpful information on health and wellness. Last year the event had over 250 participants in attendance and is likely to be similarly attended.

Please confirm by email to Rhianna Babka, Senior Services Assistant at the North Berkeley Senior Center (rbabka@cityofberkeley.info) by April 16th:

- Can you attend the event?
- Are you able to speak for up to five minutes about Berkeley's Senior Health and Wellness, or other remarks you may have in support of the annual Senior Health Fair?

Thank you for your support of the Berkeley senior community!

cc: William Rogers, Deputy City Manager
Ann-Marie Hogan, City Auditor
Jane Micallef, Director of Health, Housing and Community Services (HHCS)
Mark Numainville, City Clerk
Leah Tally, Manager of Aging Services, HHCS
Matthai Chakko, Assistant to the City Manager
