Subject: **Mother's Day and Berkeley Rose Garden
Ribbon Cutting Celebration**

On Saturday, May 8, 2021, from 10 am to noon, come out and enjoy the ambience of the Rose Garden, its spectacular rose bushes, breathtaking views of the San Francisco Bay and the Golden Gate Bridge, and the new pergola. We will be celebrating Mother's Day and the completion of the Measure T1-funded renovation project that includes the new pergola, irrigation, accessibility upgrades to the middle of the park, street improvements on Euclid, pathway improvements throughout Codornices Park and the Rose Garden, and newly renovated restroom and tennis courts. While the tennis courts are not quite finished the rest of the park is ready to open. Flowers and chocolates will be available on a first-come, first-serve basis to all mothers, and staff will be present to answer questions about the Rose Garden and the construction project. A ribbon cutting celebration hosted by Mayor Jesse Arreguin and Council Member Susan Wengraf will begin at 11 am.
