- II. Introductions
  
- III. Review of 12/05/17 notes
  
- IV. Revised Ordinance
  1. Removed from Building Code
  
  2. Unit size harmonized with BMC
  
  3. Additions or changes in .20, .50, and .60

4. New section on waiver?

V. Staff Re:

1. Would permit be needed for ADOs?

2. What might code enforcement process look like?

3. Which dept./division would enforce?

4. What resources & staff time might it take?

VI. Councilmembers Re:

1. What outreach to residents and developers would be  
needed for this?

2. What entities are regular players on this issue in the

City?

3. Is there a strategy for outreach that has been used in

a similar circumstance and can be replicated?

VII. CoD and Community Members Re:

1. What is the range of costs for ADOs?

2. What are some other alternatives if ADO isn't

possible?

3. Are there any other Cities that have similar ordinances or UD ordinances? (Portland was mentioned last time)

4. What disability community or aging community entities & individuals that could be pulled in?

VIII. Next Steps?
