I. INTRODUCTION

Berkeley Public Library (BPL or Library) builds community through collaboration and conversations. The Central Library and four (4) recently renovated branches offer easy library access throughout the City of Berkeley. A tool lending library allows Berkeley residents to check out thousands of tools, and the Library on Wheels bike travels throughout Berkeley delivering library materials, both print and digital, along with a mobile hotspot.

BPL is a member of the LINK+ resource sharing consortium. The Library’s holdings include floating and non-floating collections. The Library has its own IT staff and maintains a 1 Gigabit connection to the California Research and Education Network (CalREN) operated by CENIC. BPL utilizes radio frequency identification (RFID) self-checkout (configured in-house and not associated with a vendor), and automated materials handling equipment acquired from Bibliotheca LLC. The Library works with Unique Management Services, Inc. for fee collection; BPL does not charge fines for youth materials and is interested in exploring alternatives to overdue fines.

BPL currently operates Sierra version 3.1 under agreement with Innovative Interfaces, Inc. and has been with this vendor since 1991.

The Library uses SkyRiver for downloading bibliographic records and works with a variety of vendors and services including Baker & Taylor, Overdrive, Hoopla, Enki, Zinio, Gale, Syndetics, Naxos, Midwest Tape, and more.

The Library views this ILS solicitation as an opportunity to review internal processes and workflows related to the ILS to ensure that BPL’s practices provide the best possible service to our community and make the best use of ILS functionality. The Library’s primary objective is to identify a solution that will facilitate a positive user experience for members of the public and staff who interact with the ILS.

The following information is for the fiscal year July 1, 2015 – June 30, 2016.

III. SUBMISSION REQUIREMENTS

All proposals shall include the following information, organized as separate sections of the proposal. The proposal should be concise and to the point.

Project team
Identify the project manager and members of project team.

Subcontractors
Provide a list of subcontractors (if any) and their role/responsibilities.

2. Client References:

Provide three to five client references. References should be libraries located in the United States. BPL is especially interested in references from public libraries and libraries in California. Provide the following information:

Name of library/organization
Name and title of contact
Phone number
Email address
Length of time using referenced solution

3. Price Proposal:

The proposal shall include pricing for all services, software, and recommended equipment. Pricing shall be all inclusive unless indicated otherwise on a separate pricing sheet. The Proposal shall itemize all services,
including hourly rates for all professional, technical and support personnel, and all other charges related to completion of the work shall be itemized.

The price proposal must include a breakdown of all costs by year for a five year term, including initial purchase, implementation, and maintenance. Include costs for all modules and add-on functionality. List factors used to calculate pricing. Indicate if required equipment or hardware must be purchased through your company.

Vendors may submit more than one price proposal for alternate configurations (e.g. locally hosted, software as service).

4. **Contract Terminations**:

   **If your organization has had a contract terminated in the last five (5) years, describe such incident.**
   Termination for default is defined as notice to stop performance due to the vendor’s non-performance or poor performance and the issue of performance was either (a) not litigated due to inaction on the part of the vendor, or (b) litigated and such litigation determined that the vendor was in default.

   Submit full details of the terms for default including the other party’s name, address, and phone number. Present the vendor’s position on the matter. The City will evaluate the facts and may, at its sole discretion, reject the proposal on the grounds of the past experience.

   If the firm has not experienced any such termination for default or early termination in the past five (5) years, so indicate.

5. **Contract Language**:

   Review the attached City of Berkeley contract template.

6. **Submission of Multiple Proposals**

   Multiple proposals from the same proposer may be submitted for consideration provided each proposal stands alone.

**IV. SELECTION CRITERIA**

The following criteria will be considered, although not exclusively, in determining which firm is hired:

- Functionality of the proposed solution (60%), divided in the following manner:
  - Discovery and User Experience (14%)
  - Circulation (10%)
  - Reports & Statistics (9%)
  - Acquisitions (7%)
  - Cataloging (7%)
  - Third Party Integration (3%)

Demonstrations will be open to BPL staff, who will have the opportunity to provide feedback to the selection panel. Following the demonstrations, the selection panel will make its final recommendation to the Library Director based upon the overall suitability of the proposed solution for BPL’s current and future needs. The determination of suitability will be made solely by BPL.

VI. CITY REQUIREMENTS

A. Non-Discrimination Requirements:

Ordinance No. 5876-N.S. codified in B.M.C. Chapter 13.26 states that, for contracts worth more than $3,000 bids for supplies or bids or proposals for services shall include a completed Workforce Composition Form. Businesses with fewer than five employees are exempt from submitting this form. (See B.M.C. 13.26.030)

Under B.M.C. section 13.26.060, the City may require any bidder or vendor it believes may have discriminated to submit a Non-Discrimination Program. The Contract Compliance Officer will make this determination. This applies to all contracts and all consultants (contractors). Berkeley Municipal Code section 13.26.070 requires that all contracts with the City contain a non-discrimination clause, in which the contractor agrees not to discriminate and allows the City access to records necessary to monitor compliance. This section also applies to all contracts and all consultants. **Bidders must submit the attached Non-Discrimination Disclosure Form with their proposal**

B. Nuclear Free Berkeley Disclosure Form:

Berkeley Municipal Code section 12.90.070 prohibits the City from granting contracts to companies that knowingly engage in work for nuclear weapons. This contracting prohibition may be waived if the City Council determines that no reasonable alternative exists to doing business with a company that engages in nuclear weapons work. If your company engages in work for nuclear weapons, explain on the Disclosure Form the nature of such work. **Bidders must submit the attached Nuclear Free Disclosure Form with their proposal.**

C. Oppressive States:

The City of Berkeley prohibits granting of contracts to firms that knowingly provide personal services to specified Countries. This contracting prohibition may be waived if the City Council determines that no reasonable alternative exists to doing business with a company that is covered by City Council Resolution No. 59,853-N.S. If your company or any subsidiary is covered, explain on the Disclosure Form the nature of such work. **Bidders must submit the attached Oppressive States Disclosure Form with their proposal.**
D. Conflict of Interest:

In the sole judgment of the City, any and all proposals are subject to disqualification on the basis of a conflict of interest. The City may not contract with a vendor if the vendor or an employee, officer or director of the proposer's firm, or any immediate family member of the preceding, has served as an elected official, employee, board or commission member of the City who influences the making of the contract or has a direct or indirect interest in the contract.

Furthermore, the City may not contract with any vendor whose income, investment, or real property interest may be affected by the contract. The City, at its sole option, may disqualify any proposal on the basis of such a conflict of interest. Please identify any person associated with the firm that has a potential conflict of interest.

E. Berkeley Living Wage Ordinance:

Chapter 13.27 of the Berkeley Municipal Code requires that contractors offer all eligible employees with City mandated minimum compensation during the term of any contract that may be awarded by the City. If the Contractor is not currently subject to the Living Wage Ordinance, cumulative contracts with the City within a one-year period may subject Contractor to the requirements under B.M.C. Chapter 13.27. A certification of compliance with this ordinance will be required upon execution of a contract. The Living Wage rate is currently $14.97 (if medical benefits are provided) or $17.45 (if medical benefits are not provided). The Living Wage rate is adjusted automatically effective June 30th of each year commensurate with the corresponding increase in the Consumer Price Index published in April of each year. If the Living Wage rate is adjusted during the term of your agreement, you must pay the new adjusted rate to all eligible employees, regardless of what the rate was when the contract was executed.

F. Berkeley Equal Benefits Ordinance:

Chapter 13.29 of the Berkeley Municipal Code requires that contractors offer domestic partners the same access to benefits that are available to spouses. A certification of compliance with this ordinance will be required upon execution of a contract.

G. Statement of Economic Interest:

The City’s Conflict of Interest Code designates “consultants” as a category of persons who must complete Form 700, Statement of Economic Interest, at the beginning of the contract period and again at the termination of the contract. The selected contractor will be required to complete the Form 700 before work may begin.

VII. OTHER REQUIREMENTS

A. Insurance

The selected contractor will be required to maintain general liability insurance in the minimum amount of $2,000,000, automobile liability insurance in the minimum amount of $1,000,000 and a professional liability insurance policy in the amount of $2,000,000 to cover any claims arising out of the performance of the contract. The general liability and automobile insurance must name the City, its officers, agents, volunteers and employees as additional insureds.

B. Worker’s Compensation Insurance:

A selected contractor who employs any person shall maintain workers’ compensation insurance in accordance with state requirements. Sole proprietors with no employees are not required to carry Worker’s Compensation Insurance.
C. Business License

Virtually every contractor that does business with the City must obtain a City business license as mandated by B.M.C. Ch. 9.04. The business license requirement applies whether or not the contractor has an office within the City limits. However, a "casual" or "isolated" business transaction (B.M.C. section 9.04.010) does not subject the contractor to the license tax. Warehousing businesses and charitable organizations are the only entities specifically exempted in the code from the license requirement (see B.M.C. sections, 9.04.295 and 9.04.300). Non-profit organizations are granted partial exemptions (see B.M.C. section 9.04.305). Persons who, by reason of physical infirmity, unavoidable misfortune, or unavoidable poverty, may be granted an exemption of one annual free license at the discretion of the Director of Finance. (see B.M.C. sections 9.04.290).

Vendor must apply for a City business license and show proof of application to Purchasing Manager within seven days of being selected as intended contractor.

The Customer Service Division of the Finance Department located at 1947 Center Street, Berkeley, CA 94704, issues business licenses. Contractors should contact this division for questions and/or information on obtaining a City business license, in person, or by calling 510-981-7200.

D. Recycled Paper

All reports to the City shall be on recycled paper that contains at least 50% recycled product when such paper is available at a cost of not greater than ten percent more than the cost of virgin paper, and when such paper is available at the time it is required. If recycled paper is not available the Contractor shall use white paper. Written reports or studies shall be printed on both sides of the page whenever practical.

E. State Prevailing Wage:

Certain labor categories under this project may be subject to prevailing wages as identified in the State of California Labor Code commencing in Section 1770 et. seq. These labor categories, when employed for any “work performed during the design and preconstruction phases of construction including, but not limited to, inspection and land surveying work,” constitute a “Public Work” within the definition of Section 1720(a)(1) of the California Labor Code requiring payment of prevailing wages.

Wage information is available through the California Division of Industrial Relations web site at: http://www.dir.ca.gov/OPRL/statistics_and_databases.html

CITY OF BERKELEY
Oppressive States Compliance Statement

The undersigned, an authorized agent of ____________________________ (hereafter "Vendor"), has had an opportunity to review the requirements of Berkeley City Council Resolution No. 59,853-N.S. (hereafter "Resolution"). Vendor understands and agrees that the City may choose with whom it will maintain business relations and may refrain from contracting with those Business Entities which maintain business relationships with morally repugnant regimes. Vendor understands the meaning of the following terms used in the Resolution:

"Business Entity" means "any individual, firm, partnership, corporation, association or any other commercial organization, including parent-entities and wholly-owned subsidiaries" (to the extent that their operations are related to the purpose of the contract with the City).

Living Wage Certification for Providers of Services

TO BE COMPLETED BY ALL PERSONS OR ENTITIES ENGAGING IN A CONTRACT FOR PERSONAL SERVICES WITH THE CITY OF BERKELEY.

The Berkeley Municipal Code Chapter 13.27, Berkeley’s Living Wage Ordinance (LWO), provides that contractors who engage in a specified amount of business with the City (except where specifically exempted) under contracts which furnish services to or for the City in any twelve (12) month period of time shall comply with all provisions of this Ordinance. The LWO requires a City contractor to provide City mandated minimum compensation to all eligible employees, as defined in the Ordinance. In order to determine whether this contract is subject to the terms of the LWO, please respond to the questions below. Please note that the LWO applies to those contracts where the contractor has achieved a cumulative dollar contracting amount with the City. Therefore, even if the LWO is inapplicable to this contract, subsequent contracts may be subject to compliance with the LWO. Furthermore, the contract may become subject to the LWO if the status of the Contractor's employees change (i.e. additional employees are hired) so that Contractor falls within the scope of the Ordinance.

b. Do you have six (6) or more employees, including part-time and stipend workers?
   YES ____     NO ____

If you have answered, “YES” to questions 1(a) and 1(b) this contract IS subject to the LWO. If you responded "NO" to 1(b) this contract IS NOT subject to the LWO. Please continue to Section II.

The undersigned, on behalf of himself or herself individually and on behalf of his or her business or organization, hereby certifies that he or she is fully aware of Berkeley's Living Wage Ordinance, and the applicability of the Living Wage Ordinance, and the applicability of the subject contract, as determined herein. The undersigned further agrees to be bound by all of the terms of the Living Wage Ordinance, as mandated in the Berkeley Municipal Code, Chapter 13.27. If, at any time during the term of the contract, the answers to the questions posed herein change so that Contractor would be subject to the LWO, Contractor will promptly notify the City Manager in writing. Contractor further understands and agrees that the failure to comply with the LWO, this certification, or the terms of the Contract as it applies to the LWO, shall constitute a default of the Contract and the City Manager may terminate the contract and bar Contractor from future contracts with the City for five (5) years from the effective date of the Contract termination. If the contractor is a for-profit business and the LWO is applicable to this contract, the contractor must pay a living wage to all employees who spend 25% or more of their compensated time engaged in work directly related to the contract with the City. If the contractor is a non-profit business and the LWO is applicable to this contract, the contractor must pay a living wage to all employees who spend 50% or more of their compensated time engaged in work directly related to the contract with the City.

These statements are made under penalty of perjury under the laws of the state of California.
