I. BACKGROUND /SUMMARY/or INTRODUCTION

On April 3, 2018, Berkeley City Council (“Council”) directed staff to issue a Request for Information and award a contract based on the results of the Request for Information (RFI) for organizational capacity-building related to Small Sites Program activities. Council previously designated the creation of a Small Sites Program as the City of Berkeley’s (the “City”) number one priority among the Housing Action Plan referrals, and allocated \$1 million for the program. Up to \$50,000 of the program fund is available for an organization “to work on locating appropriate small properties for conversion from rental to limited-equity cooperatives and assisting the residents in the conversion process.”

Small Sites Program

Housing staff are developing recommendations for the creation of a Small Sites Program. The program is intended to help preserve naturally occurring affordable housing and protect tenants in rent-controlled units from Ellis Act evictions. More information on Ellis Act evictions can be found on the Rent Stabilization Board’s website, at https://www.cityofberkeley.info/Rent_Stabilization_Board/Home/Evictions.aspx. The capacity-building funds are intended to help a qualified organization improve its ability to pursue Small Sites Program opportunities, once the program is established and funds are available.

Housing staff reviewed San Francisco’s Small Sites Program as a potential model for Berkeley. Developers in that program perform the following tasks:

- Pursue opportunities to purchase eligible properties
- Secure site control
- Educate tenants about moving from rent control to restricted affordability
- Income-qualify existing residents
- Assess the renovation needs of the property
- Apply for City Small Sites Program funds
- Secure private loan to supplement City funding
- Manage the property renovations
- Own and manage Small Sites Program properties
- Comply with long-term affordability restrictions

Berkeley Small Sites Program developers should anticipate similar responsibilities under a Berkeley program, though the City’s program structure has not yet been finalized.

II. SCOPE OF SERVICES

Through this RFP, the City is seeking a qualified developer with the interest and experience to participate in the City’s Small Sites Program. Up to \$50,000 is available to assist a developer “to work on locating appropriate small properties for conversion from rental to limited-equity cooperatives and assisting the residents in the conversion process.”

III. SUBMISSION REQUIREMENTS

All proposals shall include the following information, organized as separate sections of the proposal. **Please use tabs and/or section breaks to clearly delineate each section outlined below.** The proposal should be concise and to the point, and shall contain the following items, in the order listed below:

1. Developer Identification and Qualifications:

Provide the name of the developer, the developer’s principal place of business, organization tax identification number, and type of legal entity with whom the City of Berkeley would negotiate and contract. Include a primary

contact person with firm name, website, address, email, and telephone number. Indicate contact information (website, phone, email) for other key partners as needed.

- i. Identify the developer staff that would be involved in Small Sites Program activities. Include resumes for all relevant staff as attachments to Tab 1.
- ii. Provide documentation of the developer's experience with the following:
 - o Acquisition and renovation of multifamily properties
 - o Property Management Experience
- iii. Provide the developer's articles of incorporation and by-laws.
- iv. Provide the developer's audited financial statements for two (2) most recent years.

2. References:

Provide a minimum of three (3) references. References should be California cities or other large public sector entities. Provide the designated person's name, title, organization, address, telephone number, and the project(s) that were completed under that client's direction.

3. Proposed Budget

Please provide a budget detailing how the organization proposes to spend the capacity-building funds. Identify any additional sources of funding that may be used to leverage the City's investment.

4. Proposed Scope of Work:

Please provide narrative responses (not to exceed two pages) to the following questions related to the scope of work proposed to be funded through this RFP:

1. How does your organization propose to use the City funds to increase its capacity to locate appropriate small properties for conversion from rental to limited-equity cooperatives and assist the residents in the conversion process?
2. How long will the proposed funding support the additional organizational activities? How will your organization support the new systems, processes, staffing, etc. after the funds have been fully expended?
3. What is your organization's strategy for pursuing potential properties for the Small Sites Program?
4. Please describe the services you will offer to assist tenants.

5. Experience with Limited Equity Housing Cooperatives

Please describe your organization's experiences with the following (not to exceed two pages):

1. Managing limited equity housing cooperatives
2. Converting occupied rental properties to limited equity housing cooperatives
3. Educating tenants on the implications of converting, and the benefits of limited equity housing cooperatives.

6. Contract Terminations:

If your organization has had a contract terminated in the last five (5) years, describe such incident. Termination for default is defined as notice to stop performance due to the vendor's non-performance or poor performance and the issue of performance was either (a) not litigated due to inaction on the part of the vendor, or (b) litigated and such litigation determined that the vendor was in default.

Submit full details of the terms for default including the other party's name, address, and phone number. Present the vendor's position on the matter. The City will evaluate the facts and may, at its sole discretion, reject the proposal on the grounds of the past experience.

If the firm has not experienced any such termination for default or early termination in the past five (5) years, please indicate so.

IV. SELECTION CRITERIA

The following criteria will be considered, although not exclusively, in determining which firm is hired.

1. Developer Experience (25 points)
2. Project Budget (15 points)
3. Project Scope (40 points)
4. Experience with Limited Equity Housing Cooperatives (20 points)

The City's Housing Advisory Commission will review applications and recommend a vendor.

V. PAYMENT

Invoices: Invoices must be fully itemized, and provide sufficient information for approving payment and audit. Invoices must be accompanied by receipt for services in order for payment to be processed. Mail invoices to the Project Manager and reference the contract number.

Attn: **Jenny Wyant / HHCS**

Payments: The City will make payment to the vendor within 30- days of receipt of a correct and complete invoice.

VI. CITY REQUIREMENTS

A. Non-Discrimination Requirements:

Ordinance No. 5876-N.S. codified in B.M.C. Chapter 13.26 states that, for contracts worth more than \$3,000 bids for supplies or bids or proposals for services shall include a completed Workforce Composition Form. Businesses with fewer than five employees are exempt from submitting this form. (See B.M.C. 13.26.030)

Under B.M.C. section 13.26.060, the City may require any bidder or vendor it believes may have discriminated to submit a Non-Discrimination Program. The Contract Compliance Officer will make this determination. This applies to all contracts and all consultants (contractors). Berkeley Municipal Code section 13.26.070 requires that all contracts with the City contain a non-discrimination clause, in which the contractor agrees not to discriminate and allows the City access to records necessary to monitor compliance. This section also applies to all contracts and all consultants. **Bidders must submit the attached Non-Discrimination Disclosure Form with their proposal**

B. Nuclear Free Berkeley Disclosure Form:

Berkeley Municipal Code section 12.90.070 prohibits the City from granting contracts to companies that knowingly engage in work for nuclear weapons. This contracting prohibition may be waived if the City Council

determines that no reasonable alternative exists to doing business with a company that engages in nuclear weapons work. If your company engages in work for nuclear weapons, explain on the Disclosure Form the nature of such work. **Bidders must submit the attached Nuclear Free Disclosure Form with their proposal.**

C. Oppressive States:

The City of Berkeley prohibits granting of contracts to firms that knowingly provide personal services to specified Countries. This contracting prohibition may be waived if the City Council determines that no reasonable alternative exists to doing business with a company that is covered by City Council Resolution No. 59,853-N.S. If your company or any subsidiary is covered, explain on the Disclosure Form the nature of such work. **Bidders must submit the attached Oppressive States Disclosure Form with their proposal.**

D. Conflict of Interest:

In the sole judgment of the City, any and all proposals are subject to disqualification on the basis of a conflict of interest. The City may not contract with a vendor if the vendor or an employee, officer or director of the proposer's firm, or any immediate family member of the preceding, has served as an elected official, employee, board or commission member of the City who influences the making of the contract or has a direct or indirect interest in the contract.

Furthermore, the City may not contract with any vendor whose income, investment, or real property interest may be affected by the contract. The City, at its sole option, may disqualify any proposal on the basis of such a conflict of interest. **Please identify any person associated with the firm that has a potential conflict of interest.**

E. Berkeley Living Wage Ordinance:

Chapter 13.27 of the Berkeley Municipal Code requires that contractors offer all eligible employees with City mandated minimum compensation during the term of any contract that may be awarded by the City. If the Contractor is not currently subject to the Living Wage Ordinance, cumulative contracts with the City within a one-year period may subject Contractor to the requirements under B.M.C. Chapter 13.27. A certification of compliance with this ordinance will be required upon execution of a contract. The Living Wage rate is currently \$14.97 (if medical benefits are provided) or \$17.45 (if medical benefits are not provided). The Living Wage rate is adjusted automatically effective June 30th of each year commensurate with the corresponding increase in the Consumer Price Index published in April of each year. If the Living Wage rate is adjusted during the term of your agreement, you must pay the new adjusted rate to all eligible employees, regardless of what the rate was when the contract was executed.

F. Berkeley Equal Benefits Ordinance:

Chapter 13.29 of the Berkeley Municipal Code requires that contractors offer domestic partners the same access to benefits that are available to spouses. A certification of compliance with this ordinance will be required upon execution of a contract.

G. Statement of Economic Interest:

The City's Conflict of Interest Code designates "consultants" as a category of persons who must complete Form 700, Statement of Economic Interest, at the beginning of the contract period and again at the termination of the contract. The selected contractor will be required to complete the Form 700 before work may begin.

VII. OTHER REQUIREMENTS

A. Insurance

The selected contractor will be required to maintain general liability insurance in the minimum amount of \$2,000,000, automobile liability insurance in the minimum amount of \$1,000,000 and a professional liability insurance policy in the amount of \$2,000,000 to cover any claims arising out of the performance of the contract. The general liability and automobile insurance must name the City, its officers, agents, volunteers and employees as additional insureds.

B. Worker’s Compensation Insurance:

A selected contractor who employs any person shall maintain workers' compensation insurance in accordance with state requirements. Sole proprietors with no employees are not required to carry Worker’s Compensation Insurance.

C. Business License

Virtually every contractor that does business with the City must obtain a City business license as mandated by B.M.C. Ch. 9.04. The business license requirement applies whether or not the contractor has an office within the City limits. However, a "casual" or "isolated" business transaction (B.M.C. section 9.04.010) does not subject the contractor to the license tax. Warehousing businesses and charitable organizations are the only entities specifically exempted in the code from the license requirement (see B.M.C. sections, 9.04.295 and 9.04.300). Non-profit organizations are granted partial exemptions (see B.M.C. section 9.04.305). Persons who, by reason of physical infirmity, unavoidable misfortune, or unavoidable poverty, may be granted an exemption of one annual free license at the discretion of the Director of Finance. (see B.M.C. sections 9.04.290).

Vendor must apply for a City business license and show proof of application to Purchasing Manager within seven days of being selected as intended contractor.

The Customer Service Division of the Finance Department located at 1947 Center Street, Berkeley, CA 94704, issues business licenses. Contractors should contact this division for questions and/or information on obtaining a City business license, in person, or by calling 510-981-7200.

D. Recycled Paper

All reports to the City shall be on recycled paper that contains at least 50% recycled product when such paper is available at a cost of not greater than ten percent more than the cost of virgin paper, and when such paper is available at the time it is required. If recycled paper is not available the Contractor shall use white paper. Written reports or studies shall be *printed on both sides of the page* whenever practical.

E. State Prevailing Wage:

Certain labor categories under this project may be subject to prevailing wages as identified in the State of California Labor Code commencing in Section 1770 et. seq. These labor categories, when employed for any “work performed during the design and preconstruction phases of construction including, but not limited to, inspection and land surveying work,” constitute a “Public Work” within the definition of Section 1720(a)(1) of the California Labor Code requiring payment of prevailing wages.

Wage information is available through the California Division of Industrial Relations web site at:
