All responses must be in a sealed envelope and have “2020 Community Survey” and Specification No. 20-11359-C clearly marked on the outer most mailing envelope. The City retains the right to award all or parts of this contract to several bidders, to not select any bidders, and/or to re-solicit proposals. The act of submitting a proposal is a declaration that the proposer has read the RFP and understands all the requirements and conditions.

For questions concerning the anticipated work, or scope of the project, please contact Matthai Chakko, Assistant to the City Manager, via email at mchakko@cityofberkeley.info no later than Friday, November 22, 2019. I. SUMMARY

The City of Berkeley is considering a number of initiatives and/or measures for the November 2020 ballot, some of which may be revenue generating. In order to best determine which measures to place on the ballot and the wording of such proposed measures, the City desires to hire an experienced research/survey firm to assess public opinion. The City also desires to survey voters to assess voter satisfaction with City services.

II. SCOPE OF SERVICES

Based on the ballot-measure development process in previous years, the City anticipates that two (2) surveys may be necessary. The first survey assesses voter satisfaction with City of Berkeley services in general; general support for additional investments in specific project areas; and preferences for a financing mechanism (i.e., bond or special tax). The second survey, if deemed necessary, assesses whether specific ballot measures being considered by the City Council adequately address the community’s interests.

The scope of services is a general guide to the work that the City expects to be performed and is not a complete listing of all services that may be required or desired. The selected firm will work closely with the Deputy City Manager and Assistant to the City Manager to refine the scope of services.

The following work tasks are assumed necessary to provide the minimum level of services requested by the City. Proposing firms may suggest a modified scope as part of their proposal.

For each survey, the selected firm will work with City staff to develop a survey approach and questions. The firm will then conduct a pre-test, conduct the survey, prepare a comprehensive report analyzing and interpreting the results, and present the results to the City Council and public. Both a written report and live presentation will be required and a question and answer session should be expected. A representative from the selected firm will be required to attend the City Council work session(s)/meeting(s) outlined in the schedule detailed within this RFP.

A detailed calendar appears below; the first Council meeting on the Community Survey will be in early-February 2020. The City expects primary survey development to be done during February and final Council presentations and reports to be completed by July 2020.

Background and Research Goals

Over the course of both surveys, the City desires to:

- Measure general attitudes of Berkeley voters towards City services.
- Determine preferences and priorities for future City services.
- Assess support for various initiatives proposed to be placed on the November 2020 ballot.
- For revenue measures being considered for the November 2020 ballot:
  - Test willingness to pay to maintain and/or enhance City services;
  - Determine what service components generate the most support and the most opposition;
  - Examine how voters react to different cost levels and structures;
  - Assess the impact of voter support if multiple revenue-generating measures appear individually or together as a single measure.
Deliverables

1. **Research and Methodology**
   The selected firm will research prior Berkeley ballot measures, including previous surveys and ballot measure results, and recommend an appropriate methodology for accurately assessing voter interests and support. The City will provide necessary historical documents, as well as information relevant to the current considerations. The RFP response and survey results should demonstrate an understanding of the above, as well as an understanding of various funding mechanisms.

2. **Survey Development**
   The surveys will be developed in conjunction with City staff and City staff will approve a final version of the survey prior to the pre-test.

   For each survey, the selected firm will provide a top-line report, cross-tabulation tables, a written analysis and a presentation to the City Council.

3. **Top-Line Report**
   This report will provide the percentages of respondents who answered each question and will otherwise summarize the survey results.

4. **Survey Analysis**
   The survey analysis should include:
   a. Tabulation of each call made during the course of the survey and its outcome on each question;
   b. Cross-tab results, providing the ability to see general trends on how question responses differ by demographics such as gender, age, ethnicity, and income, as well as combinations of some categories.

5. **Results Report and Presentation**
   In order to assist the City Council in its policy-making capacity, the selected firm will provide top-line results and analysis after each survey. The report and the presentation will be provided to the Council at Work Sessions or regular Council meetings. A representative of the firm will attend the Council meetings in order to present the findings and answer questions about methodology, results and analysis. A PowerPoint presentation to assist in the presentation of results data is expected.

**Schedule**

The timeline below has been developed to allow sufficient time for development and consideration of both surveys. The calendar below includes deadlines for reports and City Council meetings at which a representative of the firm will be needed. This calendar may be adjusted by the City and in consultation with the selected firm.

VI. CITY REQUIREMENTS

A. Non-Discrimination Requirements:

Ordinance No. 5876-N.S. codified in B.M.C. Chapter 13.26 states that, for contracts worth more than $3,000 bids for supplies or bids or proposals for services shall include a completed Workforce Composition Form. Businesses with fewer than five employees are exempt from submitting this form. (See B.M.C. 13.26.030)

Under B.M.C. section 13.26.060, the City may require any bidder or vendor it believes may have discriminated to submit a Non-Discrimination Program. The Contract Compliance Officer will make this determination. This applies to all contracts and all consultants (contractors). Berkeley Municipal Code section 13.26.070 requires that all contracts with the City contain a non-discrimination clause, in which the contractor agrees not to discriminate and allows the City access to records necessary to monitor compliance. This section also applies to all contracts and all consultants. Bidders must submit the attached Non-Discrimination Disclosure Form with their proposal.

B. Nuclear Free Berkeley Disclosure Form:

Berkeley Municipal Code section 12.90.070 prohibits the City from granting contracts to companies that knowingly engage in work for nuclear weapons. This contracting prohibition may be waived if the City Council determines that no reasonable alternative exists to doing business with a company that engages in nuclear weapons work. If your company engages in work for nuclear weapons, explain on the Disclosure Form the nature of such work. Bidders must submit the attached Nuclear Free Disclosure Form with their proposal.

C. Oppressive States:

The City of Berkeley prohibits granting of contracts to firms that knowingly provide personal services to specified Countries. This contracting prohibition may be waived if the City Council determines that no reasonable alternative exists to doing business with a company that is covered by City Council Resolution No. 59,853-N.S. If your company or any subsidiary is covered, explain on the Disclosure Form the nature of such work. Bidders must submit the attached Oppressive States Disclosure Form with their proposal.

D. Sanctuary City Contracting Ordinance:
Chapter 13.105 of the Berkeley Municipal Code prohibits the City from granting and or retaining contracts with any person or entity that provides Data Broker or Extreme Vetting services to the U.S. Immigration and Customs Enforcement Division of the United States Department of Homeland Security (“ICE”). **Bidders must submit the attached Sanctuary City Compliance Statement with their proposal.**

**E. Conflict of Interest:**

In the sole judgment of the City, any and all proposals are subject to disqualification on the basis of a conflict of interest. The City may not contract with a vendor if the vendor or an employee, officer or director of the proposer's firm, or any immediate family member of the preceding, has served as an elected official, employee, board or commission member of the City who influences the making of the contract or has a direct or indirect interest in the contract.

Furthermore, the City may not contract with any vendor whose income, investment, or real property interest may be affected by the contract. The City, at its sole option, may disqualify any proposal on the basis of such a conflict of interest. **Please identify any person associated with the firm that has a potential conflict of interest.**

**F. Berkeley Living Wage Ordinance:**

Chapter 13.27 of the Berkeley Municipal Code requires that contractors offer all eligible employees with City mandated minimum compensation during the term of any contract that may be awarded by the City. If the Contractor is not currently subject to the Living Wage Ordinance, cumulative contracts with the City within a one-year period may subject Contractor to the requirements under B.M.C. Chapter 13.27. A certification of compliance with this ordinance will be required upon execution of a contract. The current Living Wage rate can be found here: [https://www.cityofberkeley.info/Finance/Home/Vendors_Living_Wage_Ordinance.aspx](https://www.cityofberkeley.info/Finance/Home/Vendors_Living_Wage_Ordinance.aspx). The Living Wage rate is adjusted automatically effective June 30th of each year commensurate with the corresponding increase in the Consumer Price Index published in April of each year. If the Living Wage rate is adjusted during the term of your agreement, you must pay the new adjusted rate to all eligible employees, regardless of what the rate was when the contract was executed.

**G. Berkeley Equal Benefits Ordinance:**

Chapter 13.29 of the Berkeley Municipal Code requires that contractors offer domestic partners the same access to benefits that are available to spouses. A certification of compliance with this ordinance will be required upon execution of a contract.

**H. Statement of Economic Interest:**

The City’s Conflict of Interest Code designates “consultants” as a category of persons who must complete Form 700, Statement of Economic Interest, at the beginning of the contract period and again at the termination of the contract. The selected contractor will be required to complete the Form 700 before work may begin.

**VII. OTHER REQUIREMENTS**

**A. Insurance**

The selected contractor will be required to maintain general liability insurance in the minimum amount of $2,000,000, automobile liability insurance in the minimum amount of $1,000,000 and a professional liability insurance policy in the amount of $2,000,000 to cover any claims arising out of the performance of the contract. The general liability and automobile insurance must name the City, its officers, agents, volunteers and employees as additional insureds.

**B. Worker’s Compensation Insurance:**
A selected contractor who employs any person shall maintain workers' compensation insurance in accordance with state requirements. Sole proprietors with no employees are not required to carry Worker’s Compensation Insurance.

C. Business License

Virtually every contractor that does business with the City must obtain a City business license as mandated by B.M.C. Ch. 9.04. The business license requirement applies whether or not the contractor has an office within the City limits. However, a "casual" or "isolated" business transaction (B.M.C. section 9.04.010) does not subject the contractor to the license tax. Warehousing businesses and charitable organizations are the only entities specifically exempted in the code from the license requirement (see B.M.C. sections, 9.04.295 and 9.04.300). Non-profit organizations are granted partial exemptions (see B.M.C. section 9.04.305). Persons who, by reason of physical infirmity, unavoidable misfortune, or unavoidable poverty, may be granted an exemption of one annual free license at the discretion of the Director of Finance. (see B.M.C. sections 9.04.290).

Vendor must apply for a City business license and show proof of application to Purchasing Manager within seven days of being selected as intended contractor.

The Customer Service Division of the Finance Department located at 1947 Center Street, Berkeley, CA 94704, issues business licenses. Contractors should contact this division for questions and/or information on obtaining a City business license, in person, or by calling 510-981-7200.

D. Recycled Paper

All reports to the City shall be on recycled paper that contains at least 50% recycled product when such paper is available at a cost of not greater than ten percent more than the cost of virgin paper, and when such paper is available at the time it is required. If recycled paper is not available the Contractor shall use white paper. Written reports or studies shall be printed on both sides of the page whenever practical.

E. State Prevailing Wage:

Certain labor categories under this project may be subject to prevailing wages as identified in the State of California Labor Code commencing in Section 1770 et. seq. These labor categories, when employed for any “work performed during the design and preconstruction phases of construction including, but not limited to, inspection and land surveying work,” constitute a “Public Work” within the definition of Section 1720(a)(1) of the California Labor Code requiring payment of prevailing wages.

Wage information is available through the California Division of Industrial Relations web site at: http://www.dir.ca.gov/OPRL/statistics_and_databases.html

CITY OF BERKELEY
Living Wage Certification for Providers of Services
TO BE COMPLETED BY ALL PERSONS OR ENTITIES ENGAGING IN A CONTRACT FOR PERSONAL SERVICES WITH THE CITY OF BERKELEY.

The Berkeley Municipal Code Chapter 13.27, Berkeley's Living Wage Ordinance (LWO), provides that contractors who engage in a specified amount of business with the City (except where specifically exempted) under contracts which furnish services to or for the City in any twelve (12) month period of time shall comply with all provisions of this Ordinance. The LWO requires a City contractor to provide City mandated minimum compensation to all eligible employees, as defined in the Ordinance. In order to determine whether this contract is subject to the terms of the LWO, please respond to the questions below. Please note that the LWO applies to those contracts where the contractor has achieved a cumulative dollar contracting amount with the City. Therefore, even if the LWO is inapplicable to this contract, subsequent contracts may be subject to compliance with the LWO. Furthermore, the contract may become subject to the LWO if the status of the Contractor's employees change (i.e. additional employees are hired) so that Contractor falls within the scope of the Ordinance.

Attachment F (page 1)
The undersigned, on behalf of himself or herself individually and on behalf of his or her business or organization, hereby certifies that he or she is fully aware of Berkeley's Living Wage Ordinance, and the applicability of the Living Wage Ordinance, and the applicability of the subject contract, as determined herein. The undersigned further agrees to be bound by all of the terms of the Living Wage Ordinance, as mandated in the Berkeley Municipal Code, Chapter 13.27. If the contractor is a for-profit business and the LWO is applicable to this contract, the contractor must pay a living wage to all employees who spend 25% or more or their compensated time engaged in work directly related to the contract with the City.
