Questions and Answers for Specification No. 21-11458-C STANDARDS OF COVERAGE

The City of Berkeley has received questions from some potential respondents regarding **Specification No. 21-11458-C, STANDARDS OF COVERAGE**. In an effort to provide the same information to all, listed below are the questions received to date, with responses from City staff.

1. Q: Summary Item II a. relating to the ambulance transport consideration to transition to a single role workforce. Is the Fire Department seeking an analysis of the potential to transition from dual role to single role ambulance transport services?
2. A: The Department has completed a substantial amount of internal research, engaged in discussions with the Labor group and has a plan prepared for a transition from dual function to single function ambulances. The Department would like the selected vendor to meet with the internal stakeholders, review the proposed plans and provide input based on available data and prior experience.

Except as provided herein all other terms and conditions remain unchanged.
