Questions and Answers for Specification No. 21-11463-C Vision 2050 Implementation Services

The City of Berkeley has received questions from some potential respondents regarding **Specification No. 21-11463-C, Vision 2050 Implementation Services**. In an effort to provide the same information to all, listed below are the questions received to date, with responses from City staff.

1. Q: Will you accept a proposal from a team proposing to execute tasks 1, 2 and 5 but willing to work with another proposer for tasks 3 and 4 or willing to help the city identify a resource for these tasks once selected?

1. A: Yes, the City will consider a proposal as complete if the proposal explains which tasks are included in the proposal, the cost for each task, which tasks are not included, and explains the reason tasks were excluded. The City also reserves the right to award to one, or more than one, firm, or to cancel the RFP and re-solicit proposals.

Except as provided herein all other terms and conditions remain unchanged.
