I. SUMMARY

When annual spring weed growth starts, high concentrations of weeds grow in the shallow areas of the lagoon, especially the extreme north and south ends. Floating mats (paddies) also congregate and grow approximately one-third (1/3) of the way out from the eastern edge along the entire length of the lagoon shoreline. The entire open water areas of the lagoon, as described in the scope below, will be harvested. The Contractor will be required to aggressively harvest the aquatic weeds through the use of mechanical and hand harvest methods.

II. SCOPE OF SERVICES

- Contractor shall disclose to the City of Berkeley (the “City”) all labor, materials, equipment, tools, implements, machinery, incidentals, transportation, methods and processes necessary and required for the performance of all field renovation work.
 - Length of the Contract – The work is scheduled to begin as soon as weather permits starting (June 21, 2021) and must be completed by date (October 1, 2021) after the Notice to Proceed (NTP) is given. The Contractor shall commence work within 15 calendar days after the NTP and shall diligently execute the work through to completion within the time provided in the Bidder’s Proposal. The contract time shall commence upon the day on which the work starts or no later than the (15th calendar day) following the issuance of the NTP, whichever shall occur first. The City Manager may extend the term of this contract for up to three (3) one-year terms by giving written notice.
 - Site Visit and Investigation - It is the Contractor’s responsibility to make a thorough investigation of the work sites as a basis for the submittal of competitive bids. The Contractor shall examine the locations of the proposed work sites to fully become acquainted with the specifications and the nature of the work to be done. Contractor shall have no claim against the City based upon ignorance of the nature and requirements of the project, misapprehension of the site conditions, or misunderstanding of the specifications or provisions.
1. The targeted weeds for harvest are Widgeon Grass (*Ruppia maritima*) and Filamentous Algae located throughout the length of the lagoon (See Attachment J).
 2. Approach/Strategy: Harvest floating algae in shallow areas early and harvest Widgeon Grass the length of the lagoon to ensure boat traffic lanes remain free, clear and unobstructed throughout the weed harvest cycle. Then focus on remaining shoreline areas for the remainder of the harvest schedule.
 3. Targeted depth of harvest is from the top of the water surface level down to a minimum depth of four feet throughout the lake and as sub-surface depths allow.
 4. Contractor will execute two (2) harvest schedules and remove aquatic weeds via mechanical and hand harvest methods in the following way:
 - a. Aggressively harvest Filamentous Algae concentrations early to prevent the spread of paddies throughout the lagoon.
 - b. Harvest Widgeon Grass throughout the length of the lagoon to ensure the lagoon traffic areas remain free, clear and unobstructed of any floating or sub-surface weeds. Traffic buoys will be placed (north to south) down the center of the lagoon and Contractor will cut a 50’ foot wide channel to each side (east and west) of the centerline buoys (100’ wide path in total both sides first cut). Contractor is responsible for avoiding and protecting the center-line buoys during harvest. The harvested corridor allows rowing traffic to circle the length of the lagoon in a giant oval run.
 5. The first harvest schedule (June 21, 2021 – July 30, 2021), Contractor will harvest/remove aquatic weeds starting at the southern launch and northern ends of the lake (Areas A and C - algae seeding areas). Contractor will then follow with Widgeon Grass harvests throughout the full length of the lagoon on each side of the centerline buoys

(Areas A, B, and C).

6. The second harvest schedule (August 2, 2021 – October 1, 2021) will focus on sweeping through the remaining (entire) length of the lagoon shorelines and traffic lanes to remove any missed areas (floating paddies) in the lagoon (Area B), making a second pass through the south end of the rowing club launch area (Area A), and last, focus efforts to clear out area C in preparation for the annual lantern ceremony (scheduled early August, 2021).
7. Coordinated inspection tours (three (3) of them) will be scheduled between contractor and the City's project manager to ensure the targeted areas and travel lanes have been thoroughly cleared and the weeds have been removed. Inspections will be scheduled at:
 - A. The start of the project
 - B. The end of the first harvest cycle.
 - C. After the completion of the final sweep through the lagoon.
8. The contractor will launch and recover the harvester from the west side of the lagoon, at the boat ramp area adjacent to the Berkeley Water Ski Club (see Map Area #1).
9. All harvested weeds (spoils) shall be removed and transported to a staging area approximately 450-feet north of Berkeley Paddling and Rowing Club (BPRC) (see Map Area #1). Once spoils have dried, City staff will dispose of harvested material.
10. Harvester will operate as close to shoreline as the boat draft and obstacles will allow.
11. Contractor shall also use hand-tools to harvest the areas not accessible or too shallow for the mechanical harvesting boat. Hand harvested areas will especially focus on both sides of the north end of the lagoon (Area C), the inter-tidal area between the tide gates and the Water Ski Club island (see Map Area #1), and the shallow's just north of BPRC and the southernmost end of the lagoon. The northern hand harvest areas consist of approximately 300 linear feet of west shoreline and out 20-feet from the water's edge ($\approx 6,000$ square feet) and approximately 300 linear feet of east side shoreline 20-feet out from the water's edge ($\approx 6,000$ square-feet) for a total of $\approx 12,000$ square feet of hand harvesting on the northern end – (Area C). See Map Area 2 of lagoon sections for all hand harvesting locations.
12. The use of any pesticides/herbicides is strictly prohibited.
13. Work hours are limited to a Monday through Friday, 7:00am to 5:00pm schedule. Permission to work outside of the above schedule must be approved by the City's Project Manager (PM) and requests must be submitted to the PM at least one (1) day prior to the requested change.
14. Contractor will use professional courtesy and remain attentive to other lagoon users. These include, but are not limited to recreational users: the (BPRC), The Berkeley Water Ski Club, and the Waterside Workshop.
15. Contractor will be allowed to anchor harvester overnight on the west side of the Water Ski Club island (see Map Area #1) to minimize transport time. Anchoring on east side of the island is prohibited.
16. The project close-out and final retention payment (10%) shall require an acceptance of the Work, from the City's Project Manager.
17. A current business license, bonding and insurance shall be required.
18. Pending unforeseen weather complications, the Contractor and the City of Berkeley Project Manager, Melissa Marizette-Green, will select an alternate week for the work schedule to begin and continue if needed.
 - The Contractor, at his/her sole cost, shall repair or replace any existing improvement that is damaged by the work.
 - **Finishing details and clean-up** – upon completion of the work, contractor will remove all implements and equipment leaving each work site in a neat and clean condition. Defective work, materials, and work which does not meet the requirements of the Plans and specifications shall be removed and replaced or repaired as directed by the Project Manager, at the Contractor's sole expense.

VI. CITY REQUIREMENTS

A. Non-Discrimination Requirements:

Ordinance No. 5876-N.S. codified in B.M.C. Chapter 13.26 states that, for contracts worth more than \$3,000 bids for supplies or bids or proposals for services shall include a completed Workforce Composition Form. Businesses with fewer than five employees are exempt from submitting this form. (See B.M.C. 13.26.030)

Under B.M.C. section 13.26.060, the City may require any bidder or vendor it believes may have discriminated to submit a Non-Discrimination Program. The Contract Compliance Officer will make this determination. This applies to all contracts and all consultants (contractors). Berkeley Municipal Code section 13.26.070 requires that all contracts with the City contain a non-discrimination clause, in which the contractor agrees not to discriminate and allows the City access to records necessary to monitor compliance. This section also applies to all contracts and all consultants. **Bidders must submit the attached Non-Discrimination Disclosure Form with their proposal.**

B. Nuclear Free Berkeley Disclosure Form:

Berkeley Municipal Code section 12.90.070 prohibits the City from granting contracts to companies that knowingly engage in work for nuclear weapons. This contracting prohibition may be waived if the City Council determines that no reasonable alternative exists to doing business with a company that engages in nuclear weapons work. If your company engages in work for nuclear weapons, explain on the Disclosure Form the nature of such work. **Bidders must submit the attached Nuclear Free Disclosure Form with their proposal.**

C. Oppressive States:

The City of Berkeley prohibits granting of contracts to firms that knowingly provide personal services to specified Countries. This contracting prohibition may be waived if the City Council determines that no reasonable alternative exists to doing business with a company that is covered by City Council Resolution No. 59,853-N.S. If your company or any subsidiary is covered, explain on the Disclosure Form the nature of such work. **Bidders must submit the attached Oppressive States Disclosure Form with their proposal.**

D. Sanctuary City Contracting Ordinance:

Chapter 13.105 of the Berkeley Municipal Code prohibits the City from granting and or retaining contracts with any person or entity that provides Data Broker or Extreme Vetting services to the U.S. Immigration and Customs Enforcement Division of the United States Department of Homeland Security (“ICE”). **Bidders must submit the attached Sanctuary City Compliance Statement with their proposal.**

E. Conflict of Interest:

In the sole judgment of the City, any and all proposals are subject to disqualification on the basis of a conflict of interest. The City may not contract with a vendor if the vendor or an employee, officer or director of the proposer's firm, or any immediate family member of the preceding, has served as an elected official, employee, board or commission member of the City who influences the making of the contract or has a direct or indirect interest in the contract.

Furthermore, the City may not contract with any vendor whose income, investment, or real property interest may be affected by the contract. The City, at its sole option, may disqualify any proposal on the basis of such a conflict of interest. **Please identify any person associated with the firm that has a potential conflict of interest.**

F. Berkeley Living Wage Ordinance:

Chapter 13.27 of the Berkeley Municipal Code requires that contractors offer all eligible employees with City mandated minimum compensation during the term of any contract that may be awarded by the City. If the Contractor is not currently subject to the Living Wage Ordinance, cumulative contracts with the City within a one-year period may subject Contractor to the requirements under B.M.C. Chapter 13.27. A certification of compliance with this ordinance will be required upon execution of a contract. The current Living Wage rate can be found here: https://www.cityofberkeley.info/Finance/Home/Vendors_Living_Wage_Ordinance.aspx. The Living Wage rate is adjusted automatically effective June 30th of each year commensurate with the corresponding increase in the Consumer Price Index published in April of each year. If the Living Wage rate is adjusted during the term of your agreement, you must pay the new adjusted rate to all eligible employees, regardless of what the rate was when the contract was executed.

G. Berkeley Equal Benefits Ordinance:

Chapter 13.29 of the Berkeley Municipal Code requires that contractors offer domestic partners the same access to benefits that are available to spouses. A certification of compliance with this ordinance will be required upon execution of a contract.

H. Statement of Economic Interest:

The City's Conflict of Interest Code designates “consultants” as a category of persons who must complete Form 700, Statement of Economic Interest, at the beginning of the contract period and again at the termination of the contract. The selected contractor will be required to complete the Form 700 before work may begin.

VII. OTHER REQUIREMENTS

A. Insurance

The selected contractor will be required to maintain general liability insurance in the minimum amount of \$2,000,000, automobile liability insurance in the minimum amount of \$1,000,000 and a professional liability insurance policy in the amount of \$2,000,000 to cover any claims arising out of the performance of the contract. The general liability and automobile insurance must name the City, its officers, agents, volunteers and employees as additional insureds.

B. Worker's Compensation Insurance:

A selected contractor who employs any person shall maintain workers' compensation insurance in accordance with state requirements. Sole proprietors with no employees are not required to carry Worker's Compensation Insurance.

C. Business License

Virtually every contractor that does business with the City must obtain a City business license as mandated by B.M.C. Ch. 9.04. The business license requirement applies whether or not the contractor has an office within the City limits. However, a "casual" or "isolated" business transaction (B.M.C. section 9.04.010) does not subject the contractor to the license tax. Warehousing businesses and charitable organizations are the only entities specifically exempted in the code from the license requirement (see B.M.C. sections, 9.04.295 and 9.04.300). Non-profit organizations are granted partial exemptions (see B.M.C. section 9.04.305). Persons who, by reason of physical infirmity, unavoidable misfortune, or unavoidable poverty, may be granted an exemption of one annual free license at the discretion of the Director of Finance. (See B.M.C. sections 9.04.290).

Vendor must apply for a City business license and show proof of application to Purchasing Manager within seven days of being selected as intended contractor.

The Customer Service Division of the Finance Department located at 1947 Center Street, Berkeley, CA 94704, issues business licenses. Contractors should contact this division for questions and/or information on obtaining a City business license, in person, or by calling 510-981-7200.

D. Recycled Paper

All reports to the City shall be on recycled paper that contains at least 50% recycled product when such paper is available at a cost of not greater than ten percent more than the cost of virgin paper, and when such paper is available at the time it is required. If recycled paper is not available the Contractor shall use white paper. Written reports or studies shall be *printed on both sides of the page* whenever practical.

E. State Prevailing Wage:

Certain labor categories under this project may be subject to prevailing wages as identified in the State of California Labor Code commencing in Section 1770 et. seq. These labor categories, when employed for any "work performed during the design and preconstruction phases of construction including, but not limited to, inspection and land surveying work," constitute a "Public Work" within the definition of Section 1720(a)(1) of the California Labor Code requiring payment of prevailing wages.

Wage information is available through the California Division of Industrial Relations web site at:

TO BE COMPLETED BY ALL PERSONS OR ENTITIES ENGAGING IN A CONTRACT FOR PERSONAL SERVICES WITH THE CITY OF BERKELEY.

The Berkeley Municipal Code Chapter 13.27, Berkeley's Living Wage Ordinance (LWO), provides that contractors who engage in a specified amount of business with the City (except where specifically exempted) under contracts which furnish services to or for the City in any twelve (12) month period of time shall comply with all provisions of this Ordinance. The undersigned, on behalf of himself or herself individually and on behalf of his or her business or organization, hereby certifies that he or she is fully aware of Berkeley's Living Wage Ordinance, and the applicability of the Living Wage Ordinance, and the applicability of the subject contract, as determined herein. The undersigned further agrees to be bound by all of the terms of the Living Wage Ordinance, as mandated in the Berkeley Municipal Code, Chapter 13.27. If, at any time during the term of the contract, the answers to the questions posed herein change so that Contractor would be subject to the LWO, Contractor will promptly notify the City Manager in writing. Contractor further understands and agrees that the failure to comply with the LWO, this certification, or the terms of the Contract as it applies to the LWO, shall constitute a default of the Contract and the City Manager may terminate the contract and bar Contractor from future contracts with the City for five (5) years from the effective date of the Contract termination.
