Mental Health Administration

Greetings Community Members!

The City of Berkeley Mental Health is currently conducting a 30-Day Public Review period from February 22<sup>nd</sup> through March 23<sup>rd</sup> to obtain input from the community on the attached MHSA Prevention & Early Intervention (PEI) Statewide Projects Draft Plan. This plan describes the local implementation of Statewide PEI funds through a collaboration between Alameda County and the City of Berkeley.

The Public Review period will culminate in a Public Hearing at the Berkeley Mental Health Commission on Thursday, March 24<sup>th</sup> which will be held in the Auditorium of the Berkeley Mental Health Adult Services Program located at 2640 Martin Luther King Jr. Blvd.

All comments are welcome and those received will be evaluated and included in the final proposal that will be submitted to the Department of Mental Health for funding approval.

In order to provide input please email, call or send comments by **March 23<sup>rd</sup>** to:  
Karen Klatt, MHSA Coordinator
