

Alameda County Flu and Immunization Clinics

Includes Vaccinations for Children and Adults, Tuberculosis skin tests, Hepatitis Prevention, Travel Shots, Seasonal Influenza and More

Updated 2/4/15

- The very best place to go for all vaccinations is your doctor's office.
- Vaccines are also available at many local and chain pharmacies – call in advance to ensure what you need is in stock and to determine age requirements.
- Flu vaccine providers can be found at <http://www.lung.org/lung-disease/influenza/flu-vaccine-finder/> and **flu-only clinics are listed in green**

The below options are available for:

Low Income Children (birth to 19 years old) who

- Are uninsured
- Are eligible for or enrolled in CHDP/Medi-Cal
- Are American Indian/Alaskan native

Low Income Adults who

- Have no health insurance or whose insurance does not cover immunizations

Please direct any questions about this list to 510-267-3230

Although we try to maintain a current list, this information is subject to change and you should always call in advance to verify availability.

Please bring your immunization record
