

# Free COVID-19 testing

If you're worried about COVID-19, get tested.

Anyone in Berkeley can get a test for free. No insurance required.

Make an appointment today:  
[cityofberkeley.info/get-tested](https://cityofberkeley.info/get-tested).

A test detects if you have the virus at the time you take the test. It does not test for immunity or if you had the virus in the past. If your test is negative, you must remain cautious as you can still get infected.
