

Homeless in Berkeley, Albany, or Emeryville?

Coordinated Entry is the single entryway into shelter and other housing related services.

- *Single adults and youth aged 18-25* who are literally homeless in Berkeley, Albany or Emeryville are served by the North County Hub in Berkeley.
- *Families with children* who are literally homeless in Berkeley, Albany or Emeryville are served through a partnership with the Family Front Door in Oakland.

For now, there are four ways to connect with Coordinated Entry. More may be coming soon.

 **Over the Phone:** Families with children, transition aged youth, and adults without children should call 211 (direct: 888-886-9660) from a cell phone or from phones at one of Berkeley's drop-in centers or senior centers.

 **Over a meal:** If you do not have children, North County Hub staff are available for intakes at free meals in Berkeley twice a week:

On Mondays from 4-5 PM at Community Dinner (1744 University Ave., Berkeley)

On Tuesdays from 7:30-8:30 AM at Community Breakfast (2138 Cedar St, Berkeley)

At a Housing Workshop: Attend a Bay Area Community Services Housing Workshop at the Berkeley Drop-in Center (3234 Adeline St, Berkeley) on Tuesdays from 10:30 AM-noon. Hub intake staff are available for same-day appointments immediately afterward. Workshops are open and available to all.

Through outreach: Hub outreach staff may also come to you directly with services and an offer of a housing assessment. Look for Hub staff in their red outreach vests.

What to expect:

1. **QUESTIONNAIRE:** Hub staff asks everyone some personal questions including: length of time homeless, whether you have a disability, and your housing history. This helps determine how best to serve you. Honesty is important. *A full assessment can take up to 45 minutes.*

2. **HOUSING WORKSHOP:** Everyone will be invited to attend a housing workshop, which focuses on things like repairing credit, resolving common tenancy problems, and finding housing in a difficult housing market.

3. **HOUSING SERVICES:** If you have a longer history of homelessness and multiple service needs, you may be eligible for permanent supportive housing, shelter, transitional housing, case management, short-term housing subsidies, SSI Advocacy, and Representative Payee Services.
