## GENERAL INFORMATION AND REGISTRATION INFORMATION

---

This fall, we will be offering various programs to fit the needs of all! We will be running Community Center and Park-based Afterschool Programs, Aquatics Programs, specialized afterschool classes and programs, as well as youth and adult sports programs. Please read this guide in its entirety in order to pick programs that will best fit the needs of your family. Continue to check back, as new programs will be added throughout the fall.

All programs will be offered in compliance with City of Berkeley Health Orders, and plans may be modified in order to stay in compliance with public health guidelines.

Registration for fall programs is just a few clicks away using our online registration system. Since space is limited and we have experienced high demand for these programs in the past, we recommend reviewing the registration schedule below carefully and setting up a user account in our online registration system. Here are some instructions to [create an account](#).

### SCHOLARSHIPS

---

The City offers 50% and 100% scholarships, based on HUD income guidelines, for many programs. If you are interested in applying for a scholarship in order to participate in our 2021 Fall Programs, please read the Scholarship Application (click here for [Scholarship Application](#)) in its entirety and send the completed form and supplemental information to [recreation@cityofberkeley.info](mailto:recreation@cityofberkeley.info). Spaces are filled on a first come, first served basis.

---

### MASK POLICY

---

Mask requirements may be modified in order to stay in compliance with public health guidelines.

#### **Mask Requirements for Outdoor Programs**

Participants are not required to wear a mask while outdoors in City programs.

- All participants should still continue to bring a mask, in case they need to enter an indoor facility.
- While masks are no longer required outdoors, participants are welcome to continue wearing masks at outdoor programs.

#### **Mask Requirements for Indoor Programs**

All participants are required to wear a mask at all times when indoors, regardless of vaccination status.

---

## COVID-19 QUARANTINE AND ISOLATION POLICY

---

In compliance with City of Berkeley Public Health Guidance, participants should not attend our programs if they are exhibiting any symptoms of illness or COVID-19 including fever, cough, severe headache, sore throat, loss of taste or smell, difficulty breathing and/or vomiting or diarrhea.

Participants who are exhibiting any of these symptoms will be asked to isolate for at least 10-days. Participants may return sooner if they get a negative COVID-19 test. Prior to returning to program, participants must also be fever free for 24-hours and have significantly improved symptoms.

Any participants who have been in close contact with a COVID-19 positive case, should contact their Program Coordinator right away and must quarantine for at least 10-days.

If, at any point, a participant tests positive for COVID-19, they should contact their Program Coordinator immediately. If there is a positive case in one of our programs, contact tracing will be completed and participants who were determined to be in close contact with the positive case will be required to quarantine for 10-days.

---

## REFUND & CANCELLATION POLICY

---

All requests for refunds must be directed to:

Recreation & Youth Services Manager  
[recreation@cityofberkeley.info](mailto:recreation@cityofberkeley.info)

The original receipt must be submitted with a written request for a refund. The request must state the reason for the refund, and the date, time and location of the program. The Recreation and Youth Services Manager will render a decision to either: 1) refund the fee; 2) pro-rate the fee; 3) apply the fees to another session or program; or 4) deny the request.

A. Recreation and Marina Program & Services: No refunds or credit will be granted without 7 days notice prior to start of class or date of reservation. The City will deduct an administrative fee of 25%, or a minimum of \$10 service charge (whichever is greater).

We may need to modify, cancel, or alter programs or individual registrations to comply with COVID-19 public health guidelines. If we need to modify programs impacting your registration, we will notify you with available options. If we are required to cancel registrations to comply with COVID-19 health orders or other related regulations, we will offer campers a 100% refund of all paid fees.

## COMMUNITY CENTER AFTERSCHOOL PROGRAMS

---

This year, the city will be offering afterschool programs for elementary aged children (TK-5<sup>th</sup> Grade) at the following community centers:

- James Kenney Community Center and Park (1720 Eighth St.)
- Live Oak Community Center and Park (1301 Shattuck Ave.)
- Frances Albrier Community Center and Park (2800 Park St.)
- Willard Clubhouse and Park (2720 Hillegas Ave.)

These programs will offer a mixture of different programming, including sports and games, arts and crafts, and homework time. A majority of programming will be done outdoors with limited indoor programming. Indoor space will be primarily used during inclement weather, poor air quality, and during daylight savings time when it gets dark.

All programs will be offered in compliance with City of Berkeley Health Orders, and plans may be modified in order to stay in compliance with public health guidelines.

Great news! BUSD will be offering transportation from select school sites to our community center afterschool programs this school year. Routes between schools and community centers were determined by BUSD based on radius requirements and spaces on each bus may be limited. Please see the “Transportation” section below for more information.
