## General Information

Echo Lake Camp, established in 1922, is located atop a granitic alpine ridge overlooking the Lake Tahoe Basin. Echo Lake itself is about a 15 minute walk away from the camp. Desolation Wilderness, a very popular hiking and backpacking paradise with hundreds of miles of trails, is accessible by foot or by a 10 minute water taxi across Echo Lake. During the summer, temperatures are usually in the 70s to low 80s during the day and in the 50s at night.

During your stay, you will be camping in traditional High Sierra tent-cabins outfitted with bunk beds or cots and mattresses. Campers must provide their own linens or sleeping bags. No food may be stored in the tents due to bear scavenging, but bear-proof food storage is provided in several locations throughout camp.

### **What are the accommodations like?**

When you arrive at camp, you will have the opportunity to choose your own tent-cabin from the tents that are available. Each of our cabins is unique. Some have built-in bunks, while others have portable metal bed frames. Some cabins have private decks, while others are ‘double’ cabins, accommodating more than ten campers.

Each tent-cabin has a wooden deck floor, half-walls, a canvas tent cover, and will have enough beds and mattresses for each camper. Upon arrival, you are welcome to arrange the cabin as you see fit so you and your family will be comfortable. Some campers may even wish to sleep under the stars!

### **Check-In and Check-Out Procedures:**

We want our campers to have a great stay at camp from the moment they arrive, and will do our best to make sure the check-in and check-out process is easy. When you arrive, find an available parking spot and walk to our main office to check in and choose your tent-cabin. Once you have checked in, staff will assist you and your family with unloading your car and transporting your luggage to your chosen tent-cabin.

**Check-in times vary depending on your desired arrival meal, and are listed below:**

#### **Breakfast Arrival:**

- If arriving before 8:30 AM, campers may head to the Dining Hall for breakfast.
- Earliest Check-In: 9:00 AM.

#### **Lunch Arrival:**

- Earliest Check-In: 10:30 AM
- Earliest Cabin Move-In: 11:00 AM

#### **Dinner Arrival**

If possible, please call a few days before your arrival to ensure our staff are anticipating your late arrival. When you arrive, check the bulletin board at the main office to see which tent has been reserved for your group. If you wish, you and your group can choose a different available tent cabin once the office has opened the next morning.

### **Check-Out Times:**

Sad but true, eventually our campers have to go home. Before your departure, come check out in the office and fill out a camper survey so we know what went well during your vacation and where we might be able to make improvements. Campers must be packed up and moved out of their cabins by the times listed below:

**Departure after Breakfast:** 10:30 AM

**Departure After Lunch:** 2:30 PM

**Departure After Dinner:** 2:30 PM (although you must be moved out of your cabin by 2:30, you are welcome to stay on site until after dinner)

### **Accessibility:**

#### **Is Camp Wheelchair Accessible?**

There are a limited number of tent-cabins that are equipped with ramps. If you require ramp access, please contact the City of Berkeley Recreation office in advance of your stay to confirm availability.

#### **Are there any cabins with electricity?**

*No, Echo Lake Camp Cabins do not have electricity.*

#### **Does Camp have cell-phone or Wi-Fi Reception?**

Echo Lake Camp *does not have Wi-Fi access*, but *does have good cell phone reception*.

**The Recreation Lodge at Echo Lake Camp**

Although cell-phone access is available, we ask that campers respect their fellow campers and refrain from using cell phones in public camp areas.

One of the benefits of a camping experience at Echo Lake Camp, and a frequent sentiment of our Family Campers in past years, is the opportunity to ‘unplug’ from technology and communicate with friends and family without the distractions of the modern world.

At Echo Lake Camp, it will be up to you to self-regulate your personal electronic device usage. Although we appreciate that you may need to communicate with others during your stay, using personal electronic devices at camp will inherently change the experience for you, for your family, and for other campers.

## Echo Lake Chalet

The Echo Lake Chalet is a 15 minute walk from camp. Located on Echo Lake, the Chalet features an Ice Cream and Soda Fountain, Deli and general store with basic groceries, sporting goods, and camping supplies. The Chalet features a marina and boat launch offering Water Taxi service across Echo Lake, Lake Tours, and fishing equipment.

The Echo Lake Chalet is not affiliated with Berkeley Echo Lake Camp, and fees may be associated with these services, which are not included in your Echo Lake Camp reservation.

**The Echo Lake Chalet, a short walk from camp**

For more information about the Echo Lake Chalet, you can visit their [website](#) or call: 530-659-7207 (8 am to 6 pm PST summer only)

## Can I bring my RV or mobile camper?

No, parking spaces are limited and these recreational vehicles just take up too much room.

## How do the meals at Echo Lake Camp work?

We pride ourselves on offering delicious and nutritious meals for our campers! Before the meal, campers will hear a meal bell ring alerting campers of the approaching meal. We ring our meal bell 3 times for each meal. 1<sup>st</sup> bell is a 45-minute notice, 2<sup>nd</sup> bell is a 15-minute notice, and 3<sup>rd</sup> bell is TIME TO EAT.

In the Dining Hall, each family will have reserved seats available for the meal. When the 3<sup>rd</sup> bell rings, check the seating chart located at the front of the Dining Hall and head to your assigned seats. If you have friends you would like to sit with just mention it to the Dining Hall Supervisor and we will do our best to accommodate you.

The Echo Lake Camp food service staff offer buffet style meals, and campers may choose what they like from available options. Dining Hall attendants will be available to assist you and assure you have a comfortable dining experience. Campers planning out of camp trips may elect for our bag lunch option. Campers electing this option may sign-up in advance in the Dining Hall. Check with the Food Service staff in the Dining Hall for more information.

Different dessert options are available at every dinner. Check the menu to see what treats will be served!

Meals are not only a time for delicious food, but a time for shared community announcements, acknowledgements, and awards! At each meal, keep your ears open for Bullseye awards, Echo Lake Pioneer announcements, and upcoming activities and events.

## When are Meal Times?

Unless otherwise announced at camp, meal times are as follows:

Breakfast: 8:30 AM  
Lunch: 12:30  
Dinner: 6:30 PM

Some meal times may shift slightly to accommodate special camp programs or activities, so be sure to listen to meal-time announcements and the meal bells.

### **What if I have special dietary needs?**

Echo Lake Camp Food Service Staff will do their best to accommodate special dietary needs. Vegetarian options are served with every meal, and campers can submit special dietary needs at check in by completing a form at the main office.

Campers can check the posted menu to see allergen information, vegetarian, vegan, and gluten free choices, and what is on the menu each day.

Some special dietary needs may be more challenging for our kitchen to accommodate. If you have questions or concerns about your special dietary requirements, please contact the Echo Lake Camp Office at (530) 659-7539.

**The Dining Hall at Echo Lake Camp**

### **What can't I do at camp?**

We ask that you follow all posted rules and camp guidelines while at camp. If you have questions about whether an activity is acceptable, please check with Echo lake Camp Staff.

To ensure the safety and enjoyment of all our campers, the following items are not allowed at camp:

- Pets (for service animals, please contact the Recreation Office before your stay to assure we can provide adequate accommodations)
- Firearms
- Fireworks
- Candles
- Kerosene lanterns or white gas
- Illegal substances
- Bug-Zappers

### **Smoking**

Smoking is not allowed anywhere in camp. If you must smoke, you may leave camp property to do so. Dry conditions have created high fire danger in and around camp. Please use caution, and extinguish cigarette butts fully.

### **Quiet Hour**

Our camp-wide quiet hour starts every day at 1:15 PM and ends at 2:30 PM. Please be “In your Tent or Out of Camp” at this time. Check-In time for campers arriving after lunch is 2:30 PM. Echo Lake Staff use Quiet Hour to clean up camp, and prepare for afternoon activities. Quiet Hour is a great chance for you and your family to re-connect and share stories about your morning, and recharge for the afternoon.

If our staff notices campers out of their tents during quiet hour, we will politely remind you of Quiet Hour rules.

In the evening and early morning, we ask that you and your party are respectful of other campers. Our evening Quiet Hours begin at 10:15 PM, and lights will go out around camp at 11:00 PM. In the morning, please be respectful of quiet hour until 7:45 AM- this includes use of Sports Courts and Common Areas. Please remember the majority of our campers have young children who are sleeping at this time.

## Recreation Activities

### What recreation activities are offered at camp?

Echo Lake Camp offers a wide variety of options for all ages including arts & crafts, hiking, swimming, volleyball, basketball, archery, bocce ball, ping pong, canoeing, theme days, special events, dances, disc golf, evening activities, and more. Echo Lake Camp Staff will offer special programs for children of all ages, and Kiddie Kamp will be available for our youngest campers. Detailed activity schedules will be posted on the camp activity board by the Recreation Lodge.

### Swimming Pool

The Echo Lake Camp swimming pool will be fully functional in summer 2015. It features a 25' x 50' swim area, and will be available for morning and afternoon swim times with lifeguards on duty. Please follow all posted pool rules while utilizing the swimming pool. We ask that you do not enter the pool area when lifeguards are not present.

In addition to the swimming pool, many of our campers enjoy swimming in Echo Lake, which offers a variety of options for swimmers of all levels.

### Hiking

Echo Lake Camp is an excellent place to venture out and take a hike. Ideally situated along the Pacific Crest Trail, there are miles of trails to be enjoyed around camp. Check at the Camps Office and Recreation Lodge library for additional resources and hiking guides.

While we encourage campers to take advantage of camp's natural environment and want you to enjoy the hiking trails, we also want to remind you that hiking can be dangerous and hiking trails can have uneven terrain. Please never hike alone, always have someone with you. If for some reason this is not possible, make sure to tell someone exactly where you are going and how long you think you'll be gone. Always wear appropriate footwear for hiking (i.e. no flip-flops or sandals), and take the appropriate safety measures whenever possible.

## Special Evening Activities:

**Camper Vs. Staff Volleyball** - Think you have what it takes to take on our staff in a head to head volleyball match? Come prepared to 'dig' and bring your knee pads! We will have a women's match, and a men's match each Monday night.

**Table Night** – A chance for you and your family to perform your special talents in front of the whole camp! Campers can get up on stage and sing, act, or dance.

**Bingo Night** – A classic game of bingo, appropriate for all ages! B – I – N – G – O!

**Theme Day!** – Check the activity calendar to see which theme will dominate the day. And prepare to dance the night away in the Dining Hall!

**Campfire Night!** – A night of favorite skits, songs, and s'mores :)

**Staff Show:** The 2014 Summer Staff Show - *The Wizard of Echo Lake* – was a big hit! Stay tuned for the spring 2015 announcement of the summer staff show, and prepare to laugh, to smile, and to sing-along as our staff perform for your enjoyment.

**Nature Night** – For summer 2015, special guest speakers will join us at Echo Lake Camp, offering opportunities for campers to learn about the local ecosystem, the history of City of Berkeley Camps, and more about the regional flora and fauna through presentations, storytelling, and hands-on activities.

## Do I need a license to go fishing at Echo Lake?

In the State of California, anyone over the age of 16 is required to have a valid fishing license. All California fishing regulations must be followed. Licenses can be attained locally, or at many sporting good stores on the drive up.

## Bicycles

You can bring your bicycles to camp, however, for the safety of all our campers and to preserve our trails, we ask that you do not ride your bicycles on camp property.

## Sports

Echo Lake Camp has a regulation sized basketball court, ping pong tables, bocce ball equipment, volleyball nets, Frisbee golf course, and an archery field.

## Canoeing

Echo Lake Camp has several canoes available for use during designated time periods.

## Kiddie Kamp

Children, 2-5 years old, can participate in our "Kiddie Kamp". Programs are available from 10:00 AM to 12:15 PM, 1:15 to 2:45 PM, and 4:45 to 6:00 PM.

Experienced adult staff provide supervision that ensures a safe and memorable experience for our little campers. Parents can take a break and kids can have fun playing with other kids their own age. Sign-ups will be posted each evening at 6:30 PM on the Activity Board for the following day. Generally, as our staffing resources allow, we are able to accept all little campers on most days. There is a ratio of one staff to six preschoolers per session.

**Please note: If your preschooler is not "potty-trained," a parent must be available if needed within the camp to change diapers. Kiddie Kamp Staff will establish a method of communication with you when you drop off your child at the beginning of each session.**

## 6-12 Year Olds

For our most active campers, we provide a daily schedule of activities that helps ensure safety, fun, and excitement. Check the activity board for activity options and details, as they change regularly. On several weekdays, we offer "Children's Hour" an adventurous one or two-hour activity period, featuring hikes, games, or nature lore. "Children's Hour" schedules will be posted on the Activity Board, located near the Recreation Lodge. All participants meet at the basketball court and listen for the activity bell.

## Preteen/Teen

Activities may include hikes, arts and craft projects, pool parties, and more! Check the activity board for all of the details.

## Echo Pioneers

Campers have the opportunity to become an "Echo Pioneer", earning a special certificate by completing a cleanup, nature lore, and a camp improvement project. Campers can find a list of requirements at the Nature Center. The Echo Detectives Program is for our youngest campers who will complete similar requirements to earn a certificate and magnifying glass. Sorry adults, this program is just for kids!

## Nature Hut

The Nature Hut is located in the heart of camp. Look at the activity board in front of the Recreation Lodge to see the weekly activities the nature staff has planned for you. There will be a variety of arts and craft projects, nature hikes, and more. Nature Night is a chance to learn more about the Echo Lake Camp ecosystem, the history of Echo Lake Camp, and the Flora and Fauna of the region.

The Nature Hut has maps and guidebooks on hiking trails and sightseeing. Hike from camp through a beautiful Lodge Pole Pine Forest or along the historic Pacific Crest Trail.

## Out of Camp Adventures

Although there will be plenty to do and see at camp, some campers may choose to explore the surrounding area. There are many beautiful natural areas nearby, including Upper and Lower Echo Lake, Lake Tahoe, Desolation Wilderness, Tahoe Rim Trail, Pacific Crest Trail, El Dorado National Forest, and more. It is hard to go wrong, because you can go exploring in any direction! Out of camp adventures are a great choice for those who don't want to participate in Quiet Hour. Also, be sure to check the Activity Board daily and listen to the "announcements" at mealtime for an update on special activities.

## Other Frequently Asked Questions:

### Are there bears at Echo Lake Camp?

Yes, occasionally a Black Bear might wander through camp. Please remember that the forest is its home, and it doesn't realize it needs to share with us. If you see a bear please report it to the Camp Manager so we can take proper precautions. If a bear comes close to you, do not run. Stand still, make yourself appear as large as possible (hold up your arms) and make loud noises. These bears are not aggressive and are not known to attack humans unless aggressively provoked (and documented cases of this are incredibly rare). Typically, bears are looking for a good meal. Bear Boxes are located throughout camp and are available for camper food storage.

**DO NOT KEEP FOOD IN YOUR TENT! Locking Food Storage lockers are available throughout camp.**

### How can I prepare for camping at High Altitude?

Echo Lake Camp rests at an altitude of 7,359 feet. This is more than a vertical mile higher in elevation than the City of Berkeley! Please make sure to plan all hikes and physical exercise accordingly and drink lots of water to stay hydrated. As you gain elevation, the sun's rays become more powerful, so make sure to bring and apply sunscreen regularly to avoid burns.

#### Weather and Temperature

Echo Lake Camp can experience extreme weather and temperature fluctuations. Weather patterns shift rapidly in the high sierras, and may include warm, sunny days, afternoon thunderstorms, and chilly evenings. Be sure to check the weather before your arrival, and to pack clothes that are appropriate for hot days in the high 80s and colder nights in the 40s.

### Are health care professionals on-site?

Echo Lake Camp employs Camp Medical Staff to assist with general first aid, and most of our staff are CPR/First Aid certified. Although families are expected to handle their own general medical needs, our camp medical staff are available 24/7 if you need to speak with a medical professional. The Nurse's Station is conveniently located in the center of camp. In the unfortunate event that an emergency occurs, please know that the nearest medical facility, Barton Memorial Hospital, is a fifteen minute drive from camp.

#### Barton Memorial Hospital

2170 South Ave  
South Lake Tahoe CA, 96150  
(530) 543-3420

### Do you have a lost and found?

Lost and Found items can be dropped off or claimed at the Main Camp Office. Although we do our best to return lost & found items that are recovered, we do not have the storage capabilities to keep these items indefinitely. We generally keep lost & found items until the end of the family camp season, and will donate unclaimed items to charity.

Although we promote a trusting and safe environment at camp, please be careful leaving valuables in your tent, as you cannot lock your tent-cabins. Also, we do not recommend charging cell phones, cameras and the like in public bathroom and laundry facilities.
