

Berkeley Tuolumne Camp (BTC)

Update on the Rim Fire damage

Berkeley, California (Friday, December 13, 2013)

Update on post-fire cleanup – The Contractor has removed all building debris from the site. The City has completed the assessment of damaged trees and is currently finalizing the authorizations from the U.S. Forest Service to remove hazardous tree conditions.

Update on BTC Master Plan process –City staff have continued to meet with federal and county authorities to work on next steps in the master plan process.

Update on summer camp 2014 options – Staff are currently working on determining the most feasible option for a temporary summer camp in 2014.
