This year's Fire Fuel Chipper and Vegetation Debris Bin Program will begin on **Monday, June 5, 2017** and end on **Friday, September 22, 2017**.

2017 Fire Fuel Chipper and Vegetation Debris Bin Program

INSTRUCTIONS FOR BAGGING VEGETATION

1. **Free bio-plastic compostable bags** (fifteen per residence) may be picked up at the following four City of Berkeley Fire Stations from 8 am to 5:00 pm, every day of the week and from the Parks Division Office at the City's Corporation Yard, Monday through Friday from 7:00 am to 3:00 pm

Station #2 - 2029 Berkeley Way

Station #3 - 2710 Russell Street

Station #4 - 1900 Marin Avenue

Station #7 - 3000 Shasta Road

Parks Division Office - 1326 Allston Way

2. Loose vegetation must be put in bio-plastic compostable bags and weigh less than 25 lbs.

Important:

- **Use the free bio-plastic compostable bags!**
- Bag **ALL** Poison Oak.
- **DO NOT** drag cut branches through poison oak or stack branches on areas with poison oak. Such branches will not be chipped or picked-up.
- **DO NOT** include: lumber, soil, rocks, concrete or garbage. Bag vegetation only.
- **Carefully inspect the area before pruning for active bird nests.** Leave nests undisturbed and reschedule the vegetation cutting. Laws protect nests, eggs and birds.
- **Non-compostable bags will NOT be picked up.** Bags must meet ASTM D-6400-04 Standard Specification for Compostable Plastics.

INSTRUCTIONS FOR STACKING VEGETATION

1. **Have all vegetation ready no later than Monday morning** for pick-up any time during the week assigned to your area. Place all vegetation as close to the street as possible. Please do not block fire hydrants. Avoid parking directly in front of the piles. Piles must be visible from street.

2. **Make sure all brush set out for chipping is free of metal objects** such as nails, or fencing. Metal objects run through a brush chipper could seriously injure the chipper operator and will damage the chipper.

3. **Branches for chipping must be less than 5 inches in diameter** and may be of any length. (Keep piles less than 4 feet high.) **Do not include any poison oak in brush piles.** Please stack branches neatly, with all cut ends facing in the same direction as vehicle traffic travels.

INSTRUCTIONS FOR PILING LOOSE VEGETATION

1. **Keep ivy separated from other vegetation.** Break apart piles of ivy or other vines and stack loosely (un-bagged) in a separate pile.
2. **Keep Palm fronds and Bamboo shoots separated from other vegetation.**
3. If you have any questions, please call the Customer Service Center at **981-7270**, between 8:00 am and 5:00 pm or e-mail trees@cityofberkeley.info

EXTRA PLANT DEBRIS INFORMATION

Your regular curbside plant debris pickup will still occur on your scheduled trash pickup day. If you have extra plant debris material for the regular weekly curbside pickup, you may use pre-paid paper plant-debris bags available at all Berkeley Fire Stations. The free bio-plastic compostable bags for the Fire Fuel Chipper Program **cannot** be used in the regular curbside plant debris program. For information, call **981-7270**, 8:00 am to 5:00 pm, or go to <https://www.cityofberkeley.info/PlantDebris>.

FIRE FUEL VEGETATION BIN PROGRAM

1. To reserve a vegetation debris bin, call the Customer Service Center at **981-7270**, between 8:00 am and 5:00 pm. Please be prepared with alternative dates, to permit effective scheduling.
2. Vegetation debris bins hold 30 cubic yards and will be available for drop-off on Tuesday and Friday. Bins left by 5:00 pm. on Tuesday will be picked up by Noon on Friday. Bins left by 5:00 pm. on Friday will be picked up by Noon on Tuesday.
3. All bins delivered are placed in the public right-of-way and are available for everyone in the neighborhood regardless of who ordered the bin.

Important:

- a. These bins are to be used for vegetation only – no lumber, plastic, dirt, rocks, concrete or household trash.
- b. A limited number of vegetation bins are available each week so please share the bin with your neighbors. Bins may not be able to be placed at the ordering address.
