RENOVATIONS ARE COMING!

Please join us for an update on the final design and anticipated construction schedule for Phase 1 of the Strawberry Creek Park Renovation Projects. Phase 1 work includes renovation of the soccer, tennis, and volleyball courts and accessibility improvements. Community members are also invited to provide input and offer ideas for the next phase of renovations at Strawberry Creek Park. Phase 2 work will include replacement of the existing restroom and other potential park improvements.

Your ideas will help develop a conceptual design plan for Phase 2 Renovations!
