

## Measure T1 Bond Update

### GEORGE FLORENCE PARK

#### PROJECT DESCRIPTION

George Florence Park features play areas, a multi-purpose lawn and a picnic area for community members to enjoy. This project was completed in May 2020 and included renovation of the age 2-5 and age 5-12 play areas, and lawn and accessibility improvements.

#### PROJECT UPDATE

*September 2020*

Project is complete. A socially distanced, ceremonial park reopening to celebrate the successful project completion took place on July 31, 2020. It was led by Council Member Cheryl Davila (District 2), with ribbon cutting by long-time community member Eddie Mae Eddings and her family.

**Consultant:** Harris Design

#### NEXT STEPS

Although the new play equipment is in place and fully functional, playgrounds are currently not open to the public due to the City Health Officer's orders to minimize the spread of COVID-19. The lawn area is open. Read the latest [changes to City services](#) and [COVID-19 information](#) from Berkeley Public Health.
