

LIVE OAK COMMUNITY CENTER RENOVATION PROJECT

GROUNDBREAKING CEREMONY

1301 Shattuck Avenue
Monday, November 4, 2019
11:00am

Please come celebrate the beginning of construction with a groundbreaking ceremony for the Live Oak Community Center. This project is a comprehensive structural upgrade, and renovation of the facility to provide a safe, secure, and accessible building for the community. Renovations include seismic improvements, upgrades to the electrical, lighting, and mechanical systems, a new restroom in the theater lobby and the expansion of the administration area to facilitate staffing.

Project funded by the City of Berkeley Measure T1.
Additional funding from Parks Tax (2014 Measure F).
