Adeline Community Open Houses
The Open House was first hosted in the public rotunda at the Ed Roberts Campus at 3075 Adeline Street for a two-week period from March 10 – March 23, 2018. Members of the public were welcome to view exhibit and give input about proposals designed to help the Adeline Corridor achieve community goals, such as affordable housing, improving mobility and increasing economic opportunity. Additionally, a web-based version of the Open House exhibits was created using the City’s online forum “Berkeley Considers” to give the public additional opportunities to provide input from May 17 through June 3, 2018.
