## **Ashby and North Berkeley BART Station Area Planning Office Hours**

City staff will be available to answer questions and receive feedback on topics covered during Community Advisory Group (CAG) Meeting #1. This meeting focused on an introduction of the CAG members and an overview of this first stage of the planning process to develop zoning standards and development parameters for the Ashby and North Berkeley BART station areas. The agenda and presentation, as well as a recording of the meeting is available online.

We will not be making presentations or introducing any new information at these office hours, as they are meant to be a time for preliminary questions and comments about this planning process that was shared at the introductory CAG meeting. You are welcome to join the Zoom call at any time during the sessions and we will moderate the discussion to make sure that each attendee has an opportunity to engage. The sessions will be recorded and posted online after they occur.

We have scheduled the following two opportunities for you connect with staff:

- **Wednesday, June 17<sup>th</sup> from 5:00pm – 6:30pm**
- **Friday, June 19<sup>th</sup> from 12:30pm - 2pm**
