Ashby and North Berkeley BART Station Area Planning Office Hours

Community Advisory Group (CAG) members are invited join two “office hours” sessions to discuss topics covered during CAG Meetings #3a and #3b. These meetings focused on key factors involved in project development, evaluating financial feasibility and general principles to guide development at the Ashby and North Berkeley BART station areas. Meeting agendas and other materials are available online at www.cityofberkeley.info/bartplanning.

City, BART and consultant staff will be available to assist CAG members; they will not be making presentations or introducing any new information at these sessions. Each session is intended to focus on specific topics (as listed below). These sessions are open to the public; however, in order to accommodate CAG members' desire to have additional time to discuss topics with each other, these sessions will prioritize CAG participation and discussion. Members of the public may send in written comments/questions by email to: bartplanning@cityofberkeley.info or by mail to City of Berkeley Planning Department, 1947 Center Street, 2nd Floor, Berkeley CA 94704, Attention: Alisa Shen.
