Ashby and North Berkeley BART Station Area Planning Office Hours

City staff will be available to answer questions and receive feedback on topics covered during Community Advisory Group (CAG) Meeting #2. This meeting focused on the roles and responsibilities of the CAG, a review of development parameters and community goals, as well as consideration of preliminary design concepts for the Ashby and North Berkeley BART station areas. The agenda for that meeting, and the presentation materials, are available online.

We will not be making presentations or introducing any new information at these office hours, as they are meant to be a time for questions and comments about items discussed at CAG Meeting #2. You are welcome to join the Zoom call at any time during the sessions and we will moderate the discussion to make sure that each attendee has an opportunity to engage.

We have scheduled the following two opportunities for you connect with staff:
