On December 1, 2016, the Landmarks Preservation Commission (LPC/Commission) held a public meeting to review and comment on the Draft Environmental Impact Report for the proposed multi-story, mixed-use development on the Spenger's parking lot, a City Landmark site – West Berkeley Shellmound. This memo is to inform the Commission and public that **the close of comment period for the Draft EIR has been extended from January 12 to February 9, 2017 due to the unusual circumstance described by The Ohlone Indian Tribe in their letter dated December 22, 2017** (see link below).
