JUNE 28, 2018

2777 Shattuck Avenue/2747 Adeline Street

UP #ZP2015-0102 to establish a full service auto dealership, including auto sales, repair and maintenance, in an existing building; to construct a 4,427 square-foot addition to the building for auto access and service; and to use a portion of the existing 31-space surface parking lot at 2747 Adeline Street for dealership parking, car display, and inventory.

As requested by the ZAB at the June 14, 2018 meeting, Staff will provide an update on the City's actions to enforce the Condition of Approval regarding the operation of Honda per Use Permit #ZP2015-0102. For reference, attached please find the associated Findings and Conditions. Other project information can be found here:
