

Neighborhood Meeting & Community Outreach

The project team held an open-house style neighborhood meeting on September 21, 2015 from 5:30-6:30PM. Prior to the meeting, notices were sent to all property owners and occupants within 300 feet of the site based on a list of addresses provided by the City of Berkeley. The meeting was held at the project site, in the parking lot behind the mini-mart. The project architect presented the project and draft floor plans and elevations were posted for attendees to view and the project team answered questions and discussed the proposal with the attendees. 15 members of the public attended and signed in and three other members of the public attended but declined to sign in. The sign in sheet and pictures of the meeting are included in this application. The project team held a second neighborhood meeting on June 19, 2017 at 6:00PM at Gio's restaurant at 2420 Shattuck Avenue in Berkeley. Two neighbors attended and the project team presented updated renderings and floor plans and answered questions. On November 29, 2017, Rhodes Planning Group met with three neighbors, who were representing a larger neighborhood group, to go over the revised project plans and to answer questions.
