Ex Parte Communication Disclosures
In the context of adjudicative matters that come before the ZAB, ex parte communications are those which occur outside the formal hearing process. ZAB members should avoid ex-parte contacts on matters pending before the ZAB as much as possible, as they may represent, or be perceived to represent, the receipt of evidence that can unfairly influence a Board member’s decision on a matter before the Board. If such contacts do occur, they must be placed in the record and disclosed to all interested parties sufficiently in advance of the decision to allow rebuttal.

Public Comment
Each Speaker is limited to a maximum of three minutes.

**Agenda Changes**  
The Board Chairperson may reorder the agenda at the beginning of the meeting.

- Items #2, #5, and #6 moved to Consent Calendar

**Consent Calendar:**  
The Consent Calendar allows the Board to take action with no discussion, on projects to which no one objects. The Agenda includes three types of Consent Calendar items: (1) Approval of previous meeting minutes; (2) Modifications of existing Use Permits (which have not been noticed for public hearings); (3) Items being continued to another meeting (Board action has been postponed to another meeting). The Board Chairperson will announce items for the Consent Calendar at 7:05 pm. The Board may place additional Agenda items on the Consent Calendar, if no one present wishes to testify on an item. Anyone present who wishes to speak on an item should raise his or her hand and advise the Chairperson, and the item will be pulled from the consent calendar. Modification Projects may be discussed by the Board at this meeting or set for a public hearing at a later meeting. Items already noticed for a public hearing will be heard following Continued Items, or, if necessary, posted for a public hearing at a subsequent meeting.

Legal Notice Concerning Your Legal Rights
If you object to a decision by the Zoning Adjustments Board regarding a land use permit project, the following requirements and restrictions apply:
1. If you challenge the decision of the City in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the Zoning Adjustments Board at, or prior to, the public hearing.
2. You must appeal to the City Council within fourteen (14) days after the Notice of Decision of the action of the Zoning Adjustments Board is mailed. It is your obligation to notify the Land Use Planning Division in writing of your desire to receive a Notice of Decision when it is completed.
3. Pursuant to Code of Civil Procedure Section 1094.6(b), and pursuant to Government Code Section 65009(c)(1), no lawsuit challenging a City Council decision, as defined by Code of Civil Procedure Section 1094.6(e), regarding a use permit, variance or other permit may be filed more than ninety (90) days after the date the decision becomes final, as defined in Code of Civil Procedure Section 1094.6(b). Any lawsuit not filed within that ninety (90) day period will be barred.
4. Pursuant to Government Code Section 66020(d)(1), notice is hereby given to the applicant that the 90-day protest period for any fees, dedications, reservations, or other exactions included in any permit approval begins upon final action by the City, and that any challenge must be filed within this 90-day period.
5. If you believe that this decision or any condition attached to it denies you any reasonable economic use of the subject property, was not sufficiently related to a legitimate public purpose, was not sufficiently proportional to any impact of the project, or for any other reason constitutes a “taking” of property for public use without just compensation under the California or United States Constitutions, the following requirements apply:
   A. That this belief is a basis of your appeal.
   B. Why you believe that the decision or condition constitutes a "taking" of property as set forth above.
   C. All evidence and argument in support of your belief that the decision or condition constitutes a “taking” as set forth above.
   If you do not do so, you will waive any legal right to claim that your property has been taken, both before the City Council and in court.
