Subject: Communication to Commissions - Citywide Restroom Assessment - provide your input into the new On-line Survey

To: Commission Secretaries
From: Roger Miller, Secretary, Parks and Waterfront Commission
Re: On-line survey for the Citywide Restroom Assessment

Please distribute this email below to your commissioners and task force members, and also include it in your next available agenda packet.

We encourage everyone to participate in the on-line survey linked below, and to encourage the public to participate.

Many thanks,

--Roger, PRW

Good afternoon,

We are asking for your input on the **Citywide Restroom Assessment**, a City of Berkeley Measure T1 project.

Please take five minutes to complete the new on-line survey at the following link: <http://berkeleywash.org/community-survey.html>

Deadline March 15

The first page of the survey provides a full description of the **Citywide Restroom Assessment Project**. The survey will be used to help the City compile a draft Master Plan Study to guide improvements for public restrooms and public sanitation in Berkeley.

[Technical note: The survey works best in the  CHROME web browser. It also works in the INTERNET EXPLORER browser, but you must zoom in to the maximum extent. Copy the survey link above and paste it in your browser]. All survey responses are anonymous.

For more information about the **Citywide Restroom Assessment Project**, you can visit the **Project Update** at the following link:

[https://www.cityofberkeley.info/uploadedFiles/Parks Rec Waterfront/Level 3 - General/Citywide%20Restroom%20Assessment.pdf](https://www.cityofberkeley.info/uploadedFiles/Parks%20Rec%20Waterfront/Level%203%20General/Citywide%20Restroom%20Assessment.pdf)

For questions about this project and the survey, please contact Meg Prier at Hyphae Design at megan@hyphae.net.

Many thanks,

Roger Miller
