Subject: Alameda County Probation Annual Report Links

PRC Secretary Lee,
Mayor's Fair and Impartial Working Group Chair Ramsey, & Mr. Trachtenberg,

I thought this information would be helpful for both the Mayor's FIP Working Group, and the Police Review Commission, so am sending to both bodies.

I recently received a copy of an annual report from the Alameda County Probation Department, under the leadership of Wendy Still.

I thought the report would be helpful in giving context for how Alameda County Probation is operating. I believe that many of the concerns in general about probation across the country may not apply so much to Alameda County's Probation Department. PRC Chair Calavita recently shared a report with the PRC which gives important information at a higher national level, but there is little in it specifically regarding California, or our actual County. I expect that many of the onerous practices and negative outcomes from other jurisdictions across the country are not occurring here in Alameda County Probations Department operations and practices.

AC Probation Dept. Chief Still provide the below links to share with you all:

This is their most recent report: <https://fliphtml5.com/tanfs/cuit>

This is their previous report: <https://online.fliphtml5.com/tanfs/khna/#p=1>

I hope this information is helpful to the Commission.

Best regards,

Andrew Greenwood
