## Construction Project Information and Traffic Impacts

The City of Berkeley has approved a project to do some concrete improvements on your street. The project is scheduled to commence **August 2021** barring unforeseen circumstances or unfavorable weather conditions. Construction start times at each property will vary, and the work will be completed within two (2) weeks of starting. Inconveniences caused by construction in your immediate vicinity may not extend for this entire period.

***Some of these important and necessary resident actions would be appreciated:***

- ✓ Park vehicles outside construction area.
- ✓ Keep pets inside to assure worker safety.
- ✓ Keep children away from work area.
- ✓ Please remove vehicles from driveways marked for repair.
- ✓ Please obtain a temporary parking permit, if necessary, for vehicles parked on the street.

### **CONTACT:**

You may call City of Berkeley Engineering Inspectors, Randy Kong **(510) 423-8419** between 7:00am – 3:30pm. After work hours, please contact Project Contractor, California Constructors at 510-932-9899. If they cannot be reached please call the City of Berkeley Streets and Utilities Division at 510-981-6620.

The Project Contractor will continue to provide a safe and reliable route service and access for the public during the construction project. **Hours of operation are 7:30 AM – 5:00 PM, Monday through Friday.** Traffic may be delayed at work site and street closures may be necessary at times, but will not exceed eight (8) hours at a time. On-street parking may be restricted during construction. In this event, “No Parking” signs will be posted along the street three (5) days in advance and will be enforced by the Police Department.

### **ATTENTION MOTORISTS & BUSINESSES!! PLEASE PLAN AHEAD.**

- Expect Delays
- Allow extra time in your travel plans
- Use alternative routes and parking areas
- Allow for periodic restricted parking and detours during construction activity
