**PUBLIC NOTICE
 DRAINAGE IMPROVEMENT PROJECT**

The City of Berkeley, Public Works Department, will be improving the existing drainage system in your neighborhood. This work is funded by the State Transportation Tax and Capital Improvement program funding.

LOCATION: Hillview Road, Woodside Road, and Wildcat Canyon Road.
See location map inside.

TIMELINE: Construction is expected to begin in August 2019 and will take approximately Four months to complete depending on weather or unforeseen conditions. Construction in your immediate vicinity may not extend for this entire period.

Standard work hours are 7:30 a.m. - 5:00 p.m., Monday - Friday
 Schedule updates will be available on the City's website at:
[www.cityofberkeley.info/Public_Works/Bids - Contracts/Construction_Updates.aspx](http://www.cityofberkeley.info/Public_Works/Bids_-_Contracts/Construction_Updates.aspx)

POSSIBLE INCONVENIENCES: Traffic will be delayed at the worksite and street closures may be necessary but will not exceed 12 hours at a time. "No Parking" signs will be posted along the street 3 days in advance and will be enforced by the Police Department. Please see the posted signs for exact hours and locations as they may vary according to scheduled tasks. All other usual parking restrictions, including no parking for street cleaning, will still be in effect. Access to private driveways may be prohibited during some operations. Emergency vehicle access will be maintained at all times.

PROPERTY OWNER AND RESIDENT ACTIONS:

- Sensitive to Petroleum: Be aware that asphalt will be used in this project
- Avoiding Oil Spray: Park your vehicles outside of the construction area. Oil and asphalt are not easily removed from shoes, floors, and rugs
- Safety: Keep children and pets away from the work area
- Property owners are responsible for trimming their trees and vegetation growing into the roadway, and for installation and maintenance of water barriers (against runoff) with a minimum height of 6 inches.
- Any permits issued for the use of the right-of-way are temporarily suspended, in accordance with BMC 16.16.050, while the work takes place. Contact City for coordination of critical work.

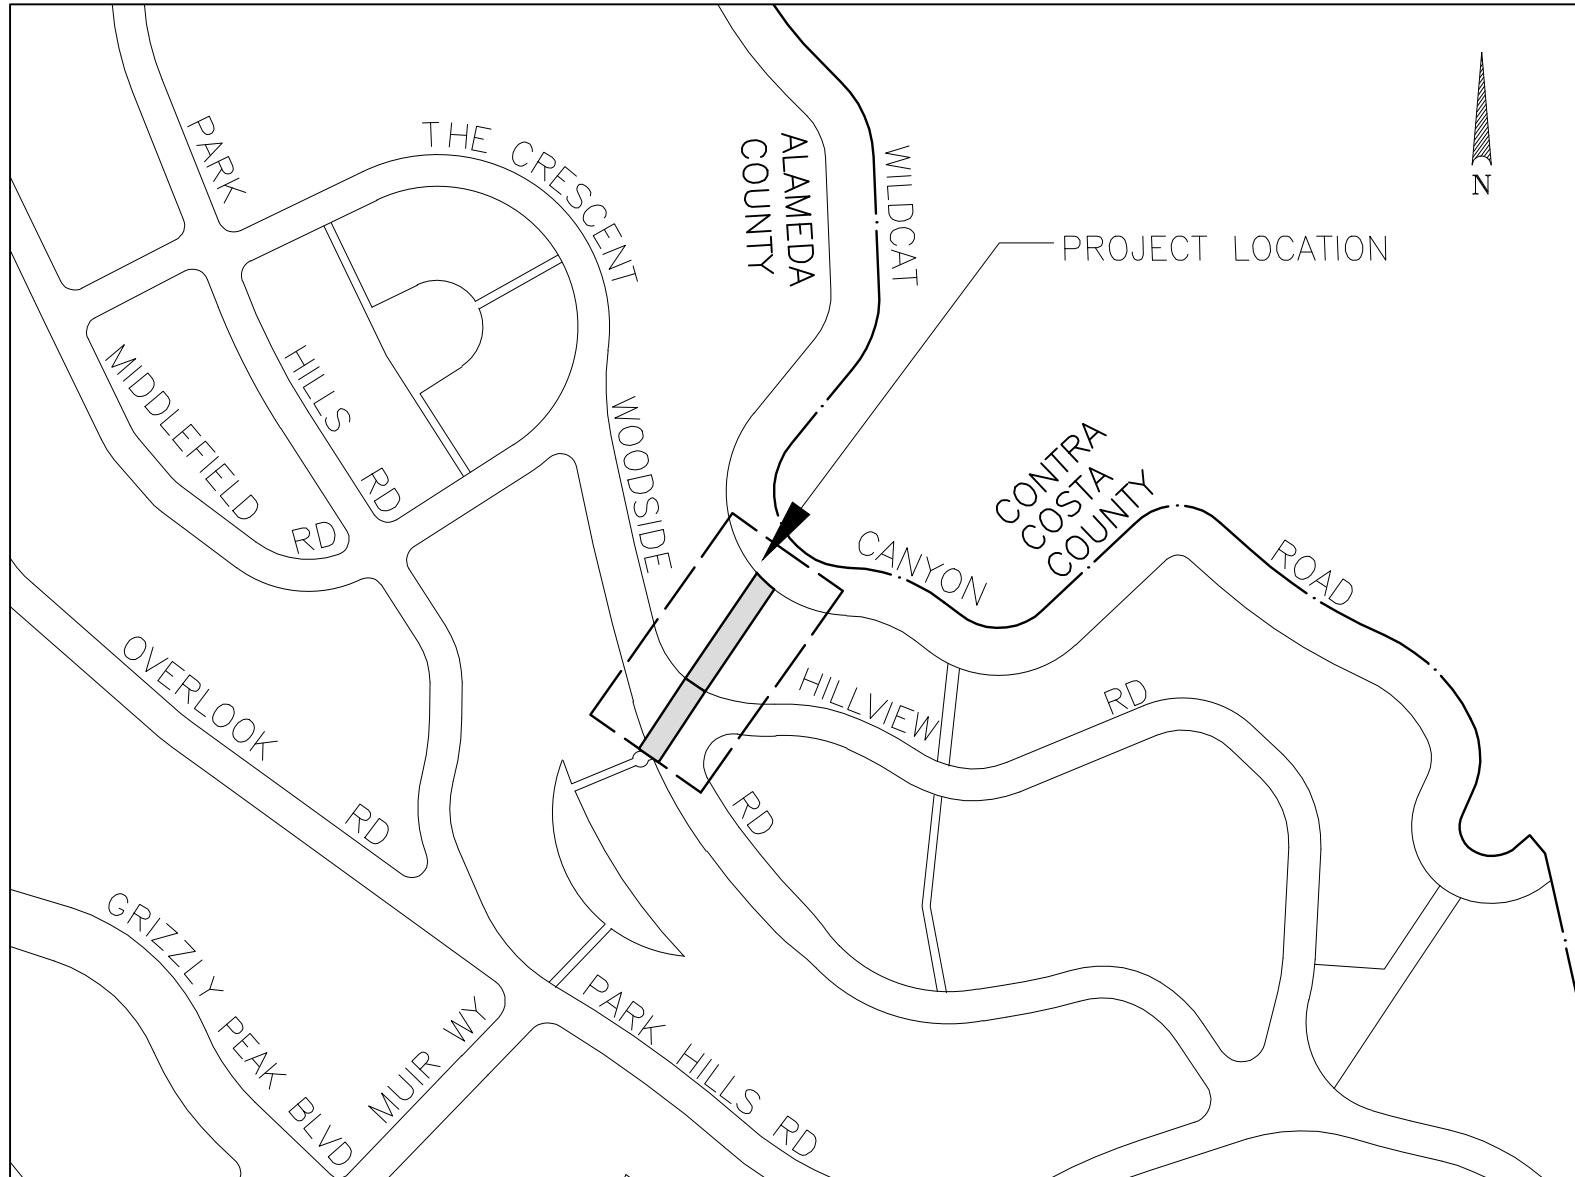

Contractor:
 APB General Engineering.
