

ZW Commission Reusable Foodware/Single-Use Reduction Ordinance Sub-Committee Meeting
September 11, 2018

Peet's Telegraph/Dwight, Berkeley

Called to order 9:02am

Annette Poliwka and Christienne de Tournay in attendance.
Agenda approved unanimously.

Public Comment Period: Martin Bourque, Ecology Center, participated with his recommendations for any revision of the Ordinance.

Commissioners Poliwka and de Tournay reviewed the public input data received to date, and compiled/submitted by Heidi Obermeit, the City's Recycling Manager.

Recommendations were reviewed, along with suggested points needing clarification, and community members suggestions.

Sub-committee work is still in progress. Commissioners agreed to continue to individually review data.

Adjourned at 10:40 am.
