

Rent Stabilization Board

## REGISTRATION FACT SHEET

### *Fee payment during Shelter in Place*

Due to the Shelter in Place order issued by the Berkeley Health Officer as a result of the novel coronavirus COVID-19, the office of the Rent Board will be closed until at least May 31, 2020. The office will reopen when the Berkeley Health Officer deems it safe to do so. Property owners should continue to check the City of Berkeley website at [www.cityofberkeley.info](http://www.cityofberkeley.info) for updates on the Shelter in Place order. Owners may pay via U.S. mail, or they may pay online at [www.cityofberkeley.info/rent](http://www.cityofberkeley.info/rent) (click on the purple “Register Online” button). Envelopes postmarked by July 1<sup>st</sup> that contain the correct registration fee will be considered timely.

### *I have a question about my bill. How do I contact the Rent Board during Shelter in Place?*

Owners who have questions about their billing statement, Unit Status Form, etc., may call the Rent Board at 510-981-7368 (RENT) and leave a message. You may also send an email inquiry to [RSBRequest@cityofberkeley.info](mailto:RSBRequest@cityofberkeley.info). Be sure to provide your name, phone number, and the address of the property about which you are inquiring. Registration staff will return all calls and emails promptly.

### *Who needs to pay the registration fee?*

The vast majority of residential rental units in Berkeley are subject to the Board’s annual registration fee. The Shelter in Place order has no effect on this long-standing registration requirement for virtually all residential rental properties. **Even if not yet rented, all eligible units must be registered by July 1<sup>st</sup>.**

### *When to file Vacancy Registration form?*

For each new tenancy, landlords must file a Vacancy Registration form. The new rent level and the housing services reported by the landlord are entered into the Rent Board database. A property is not properly registered if required Vacancy Registration forms are not filed. **If you have a current tenancy that has not yet been reported, you must file a Vacancy Registration form within 15 days of the date it is rented even if there is no change in the rent charged.** You can download a blank Vacancy Registration form at [www.cityofberkeley.info/rent](http://www.cityofberkeley.info/rent).

### *Non-compliance = No rent increases and defense to an eviction*

Properties not in full compliance with registration requirements for all units are not eligible to implement any rent ceiling increases for **any** unit on the property. Non-compliance may also be used as a defense in an eviction action.

### *Paying by credit card?*

The City of Berkeley does not accept credit card information via U.S. mail. If you wish to pay via credit card, please use the online registration option. Go to our website at [www.cityofberkeley.info/rent](http://www.cityofberkeley.info/rent) and select “Register Online.” If you have any questions about online registration, please call our office at (510) 981-7368 (RENT) or email at [RSBRequest@cityofberkeley.info](mailto:RSBRequest@cityofberkeley.info).

**Instructions to Pass Through Increased Registration Fees to Tenancies Commenced Prior to 1/1/99**

Pursuant to Rent Stabilization Board Resolution 20-04, after landlords have paid the 2020/2021 registration fee, they may pass through a portion of this year’s fee to their tenants in the form of an **\$10.00** per month rent increase for 12 consecutive months **only for tenancies that commenced prior to January 1, 1999**. The \$10.00 increase does not become part of the permanent rent ceiling for purposes of calculating next year’s Annual General Adjustment. The \$10.00 rent increase allowed by Resolution 20-04 is not automatic, and landlords will only be eligible to pass it through to their tenants after they have paid the 2020/2021 registration fee as well as all outstanding fees and penalties and have given their tenants at least thirty (30) days’ prior written notice of the increase. (A sample notice containing all necessary information is included below.) **If landlords have already been taking a pass-through increase pursuant to prior Board resolutions, they may not take the current \$10.00 pass-through increase until the previous increase has expired. Pass-through increases from the previous year may be taken for no more than 12 months. Owners should contact our office for further advice.** Additionally, landlords must serve notice to initiate the increase allowed by Resolution 20-04 on or before December 1, 2020, in order to receive their full pass-through. For simplicity and ease of tracking, we recommend that landlords begin taking this pass-through when the previous year’s pass-through has expired. Unless subsequently extended by the Rent Board, the rent increase authorized by Resolution 20-04 must be terminated and the rent reduced by \$10.00 twelve months after it is imposed or December 31, 2021, whichever is earlier. Finally, **landlords must send a copy of the notice to pass through charges permitted by Resolution 20-04 to the Rent Board.**
